About CAPE

The California Association of Professional Employees represents more than 2700 employees of the County of Los Angeles. CAPE's representation extends into the areas of collective bargaining of Memorandum of Understandings (work contracts), collective bargaining of Fringe Benefits, Grievances, Legal Advice, and Health Benefits. CAPE, the Union, was formed in 1964 by professional employees of the County of Los Angeles, who recognized the need for fair and effective representation.

CAPE is affiliated with MEBA (Marine Engineers' Beneficial Association) and the AFL-CIO (American Federation of Labor – Congress of Industrial Organizations). CAPE is also a member of the Coalition of County Unions (CCU), an alliance of Los Angeles County Unions that collectively bargain for the health and retirement benefits of all County "Choices" participants.
