#### Independent Auditors' Report

To the Board of Directors

California Association of Professional Employees
Los Angeles, California

We have audited the accompanying statement of financial position of the California Association of Professional Employees (a nonprofit organization) as of December 31, 2010, and the related statements of activities and cash flows for the year then ended. These financial statements are the responsibility of the Association's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the California Association of Professional Employees as of December 31, 2010, and the changes in its net assets and its cash flows for the year then ended, in conformity with accounting principles generally accepted in the United States of America.

Notes to Financial Statements

#### 1. DESCRIPTION OF ENTITY

#### General Fund

The California Association of Professional Employees (the "Association") was formed in 1964 in Los Angeles, California, as a nonprofit corporation to initiate, sponsor, promote and carry out plans, policies and activities, which will tend to advance the health, comfort, morale and economic welfare of all member employees of public agencies or public corporations. The Association represents approximately 2,700 employees of the County of Los Angeles and sanitation districts of Los Angeles County in collective bargaining matters and its primary source of revenues are dues from approximately 1,569 members.

#### Political Action Committee ("PAC")

The Association formed a Political Action Committee ("PAC") for the purpose of supporting state and local candidates to further the goals of organized labor and collective bargaining within the State of California. PAC is funded by voluntary dues allocations from the General Fund and voluntary contributions from members of the Association. The monthly allocation is \$1 per member, and has been in effect since January 1, 1994.

#### FAIR Political Action Committee ("FAIR PAC")

In February 2005, the Board of Directors formed a second political action committee, the Fight Arnold's Irresponsible Reforms Political Action Committee ("FAIR PAC"), for the purpose of protecting the pension and post-retirement benefits of its members by supporting certain state-wide elections and propositions in California. FAIR PAC is funded by voluntary contributions from the Association's members, certain vendors of the Association and special events organized to further the goals of FAIR PAC.

#### 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

#### Method of accounting

Dues from members, affiliation fees, interest income, reimbursements and other revenues are reported on the accrual basis. All expenses are reported on the accrual basis except for a nominal amount of recurring monthly expenses.

Notes to Financial Statements

## 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

#### Functional allocation of expenses

The costs of providing programs and support services have been summarized on a functional basis in note 3. All revenues and expenses pertain to unrestricted net assets.

#### Use of estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results may differ from those estimates.

#### Fair value of financial instruments

The carrying value of cash and cash equivalents, receivables, prepaid expenses, and expenses payable approximate their fair values due to the short-term nature of these instruments.

#### Tax-exempt status

No provision is made in the General Fund for federal or state income tax. The Association has received tax-exempt status from the federal government under Internal Revenue Code Section 501(c)(5) and the State of California under Revenue and Taxation Code Section 23701a. The Political Action Committees (PAC and FAIR-PAC) are subject to federal and California income taxes assessed on the lesser of investment earnings (net of a \$100 exclusion) or the amount of political contributions.

Notes to Financial Statements

#### 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

#### Cash and cash equivalents

Cash and cash equivalents consists of cash on hand and cash deposited with financial institutions in checking accounts and money market funds. For purposes of the statement of cash flows, the Association considers all highly liquid debt instruments purchased with a maturity of three months or less to be cash equivalents. The Association, from time to time, maintains cash balances in excess of Federal Deposit Insurance Corporation (FDIC) insurance coverage limits. As of December 31, 2010, the aggregate balances that exceeded these limits approximated \$362,000. The Association performs reviews of the relative credit rating of its banks to lower its risk.

#### Trust admin fees receivable

The Association receives a fee from a related party trust in connection with costs incurred to administer it (see note 5). The Association considers the receivable related to these admin fees as of December 31, 2010 collectible and, as such, no allowance for doubtful accounts is considered necessary.

#### Property and equipment

Property and equipment are stated at cost. Depreciation is determined for related groups of assets under the straight-line and accelerated methods based upon their estimated useful lives, ranging from three to ten years. Minor renewals or replacements and maintenance and repairs are expensed. Major replacements and improvements are capitalized.

#### Subsequent events

Subsequent events have been evaluated through July 14, 2011, which is the date the financial statements were available.

Notes to Financial Statements

## 3. SUMMARY OF EXPENSES BY FUNCTIONAL CLASSIFICATION

The following table provides a summary of the Association's total expenses by their functional classification:

Program expenses:	
Salaries and wages	\$ 641,422
Other expenses	432,111
Supporting expenses:	
Salaries and wages	254,985
Other expenses	146,956
	\$ 1,475,474

## 4. LEASE COMMITMENTS

The Association leases office space located in Los Angeles, California. The lease continues through December of 2011 with monthly rent payments ranging from \$5,048 to \$5,458. Total rent expense related to this office space amounted to \$60,987 for the year ended December 31, 2010.

The Association leases postal equipment under a five year operating lease expiring in September of 2012. Monthly lease payments approximate \$156. Lease expense in connection with office equipment was \$1,872 for the year ended December 31, 2010.

The future annual minimum lease payments required under the above operating leases as of December 31, 2010 are as follows:

2011	\$	67,368
2012	—	1,404
Total	\$	68,772

Notes to Financial Statements

## 5. RELATED PARTY TRANSACTION - BENEFIT TRUST ADMINISTRATION

The Association established the California Association of Professional Employees Benefit Trust ("the Trust") to provide alternate health and welfare coverage for its members and other participants affiliated with the County of Los Angeles. The Trust is governed by a board of trustees consisting of 5 members appointed by the officers of the Association.

The Association charges the Trust an administrative fee based on an estimate of the costs incurred by the Association to administer the Trust. Administration fees for the year ended December 31, 2010 were \$134,640.

The Association also is a contributing employer to the Trust. Total employer contributions to the Trust for health and welfare benefits for the year ended December 31, 2010 totaled \$83,901.

### 6. RETIREMENT PLAN

The Association has a retirement savings 401(k) plan covering substantially all employees. The plan provides that employees who have attained age 18 and completed one year of service with the Association can voluntarily contribute up to 15% of their compensation for the plan year. Employer contributions are equal to 100% of the employee's contributions up to 4% of that employee's compensation. Employer contributions approximated \$25,000 for the year ended December 31, 2010.

## Independent Auditors' Report on Accompanying Information

To the Board of Directors

California Association of Professional Employees
Los Angeles, California

Our report on our audit of the basic financial statements of the California Association of Professional Employees for 2010 appears on page 3. We conducted our audit in accordance with auditing standards generally accepted in the United States of America for the purpose of forming an opinion on the basic financial statements taken as a whole. The supporting schedule on page 14 is presented for purposes of additional analysis and is not a required part of the basic financial statements. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and, in our opinion, is fairly stated in all material respects in relation to the basic financial statements taken as a whole.
