PLEASE READ THE FOLLOWING IMPORTANT NOTICES ABOUT THIS HEALTH PLAN

Grandfathered Health Plan Notice: Blue Shield believes this plan/policy is a “grandfathered health plan” under the Patient Protection and Affordable Care Act (the Affordable Care Act). As permitted by the Affordable Care Act, a grandfathered health plan can preserve certain basic health coverage that was already in effect when that law was enacted. Being a grandfathered health plan means that your plan or policy is not required to include certain consumer protections of the Affordable Care Act that apply to other plans; however, even though they are not required to be included, all of the protections of the Affordable Care Act are included in your current plan/policy.

Questions regarding which protections apply and which protections do not apply to a grandfathered health plan and what might cause a plan to change from grandfathered health plan status can be directed to Blue Shield at the Customer Service Department number on your identification card. If you obtain this plan/policy through your Employer and your plan is subject to ERISA, you may also contact the Employee Benefits Security Administration, U.S. Department of Labor at 1-866-444-3272 or www.dol.gov/ebsa/healthreform. This website has a table summarizing which protections do and do not apply to grandfathered health plans. If you obtain your coverage through a nonfederal governmental employer, you may also contact the U.S. Department of Health and Human Services at www.healthreform.gov.

This Evidence of Coverage and Disclosure Form (EOC) constitutes only a summary of the Health Plan. The health plan contract must be consulted to determine the exact terms and conditions of coverage.

Notice About This Group Health Plan: Blue Shield makes this Health Plan available to Employees through a contract with the Employer. The Group Health Service Contract includes the terms in this EOC, as well as other terms. A copy of the Contract is available upon request. A Summary of Benefits is provided with, and is incorporated as part of, the EOC. The Summary of Benefits sets forth the Member’s share-of-cost for Covered Services under the benefit Plan.

Please read this EOC carefully and completely to understand which services are Covered Services, and the limitations and exclusions that apply to the Plan. Pay particular attention to those sections of the EOC that apply to any special health care needs.

For questions about this Plan, please contact Blue Shield Customer Service at the address or telephone number provided on the back page of this EOC.

Notice About Plan Benefits: No Member has the right to receive Benefits for services or supplies furnished following termination of coverage, except as specifically provided under the Extension of Benefits provision, and when applicable, the Continuation of Group Coverage provision in this EOC.

Benefits are available only for services and supplies furnished during the term this Health Plan is in effect and while the individual claiming Benefits is actually covered by this Group Contract.

Benefits may be modified during the term as specifically provided under the terms of this EOC, the Group Contract or upon renewal. If Benefits are modified, the revised Benefits (including any reduction in Bene-

fits or the elimination of Benefits) apply for services or supplies furnished on or after the effective date of modification. There is no vested right to receive the Benefits of this Plan.

Notice About Reproductive Health Services: Some hospitals and other providers do not provide one or more of the following services that may be covered under your Plan Contract and that you or your family member might need: family planning; contraceptive services, including emergency contraception; sterilization, including tubal ligation at the time of labor and delivery; Infertility treatments; or abortion. You should obtain more information before you enroll. Call your prospective doctor, medical group, independent practice association, or clinic, or call the health plan at Blue Shield's Customer Service telephone number provided on the back page of this EOC to ensure that you can obtain the health care services that you need.

Notice About Contracted Providers: Blue Shield contracts with Hospitals and Physicians to provide services to Members for specified rates. This contractual arrangement may include incentives to manage all services provided to Members in an appropriate manner consistent with the Contract. To learn more about this payment system, contact Customer Service.

Notice About Health Information Exchange Participation: Blue Shield participates in the **Manifest MedEx** Health Information Exchange ("HIE") making its Members' health information available to Manifest Medex for access by their authorized health care providers. Manifest Medex is an independent, not-for-profit organization that maintains a statewide database of electronic patient records that includes health information contributed by doctors, health care facilities, health care service plans, and health insurance companies. Authorized health care providers (including doctors, nurses, and hospitals) may securely access their patients' health information through the Manifest Medex HIE to support the provision of safe, high-quality care.

Manifest Medex respects Members' right to privacy and follows applicable state and federal privacy laws. Manifest Medex uses advanced security systems and modern data encryption techniques to protect Members' privacy and the security of their personal information. The Manifest Medex notice of privacy practices is posted on its website at www.manifestmedex.org.

Every Blue Shield Member has the right to direct Manifest Medex not to share their health information with their health care providers. Although opting out of Manifest Medex may limit your health care provider's ability to quickly access important health care information about you, a Member's health insurance or health plan benefit coverage will not be affected by an election to opt-out of Manifest Medex. No doctor or hospital participating in Manifest Medex will deny medical care to a patient who chooses not to participate in the Manifest MedexHIE.

Members who do not wish to have their healthcare information displayed in Manifest Medex, should fill out the online form at www.manifestmedex.org/opt-out or call Manifest Medex at **(888) 510-7142**.

Prior Authorization

The following are some frequently-utilized Benefits that require prior authorization:

- Radiological and nuclear imaging services
- Hospice program services
- Outpatient mental health services, except office visits
- Inpatient facility services

Please review the Evidence of Coverage for more about Benefits that require prior authorization.

Notes

1 Evidence of Coverage (EOC):

The Evidence of Coverage (EOC) describes the Benefits, limitations, and exclusions that apply to coverage under this Plan. Please review the EOC for more details of coverage outlined in this Summary of Benefits. You can request a copy of the EOC at any time.

Capitalized terms are defined in the EOC. Refer to the EOC for an explanation of the terms used in this Summary of Benefits.

2 Calendar Year Deductible (CYD):

Calendar Year Deductible explained. A Calendar Year Deductible is the amount you pay each Calendar Year before Blue Shield pays for Covered Services under the Plan.

If this Plan has any Calendar Year Deductible(s), Covered Services subject to that Deductible are identified with a check mark (✓) in the Benefits chart above.

Covered Services not subject to the Calendar Year medical Deductible. Some Covered Services received from Participating Providers are paid by Blue Shield before you meet any Calendar Year medical Deductible. These Covered Services do not have a check mark (✓) next to them in the "CYD applies" column in the Benefits chart above.

This Plan has a combined Participating Provider and Non-Participating Provider Calendar Year Deductible.

Family coverage has an individual Deductible within the Family Deductible. This means that the Deductible will be met for an individual with Family coverage who meets the individual Deductible prior to the Family meeting the Family Deductible within a Calendar Year.

3 Using Participating Providers:

Participating Providers have a contract to provide health care services to Members. When you receive Covered Services from a Participating Provider, you are only responsible for the Copayment or Coinsurance, once any Calendar Year Deductible has been met.

"Allowable Amount" is defined in the EOC. In addition:

- Coinsurance is calculated from the Allowable Amount or Benefit maximum, whichever is less.

4 Using Non-Participating Providers:

Non-Participating Providers do not have a contract to provide health care services to Members. When you receive Covered Services from a Non-Participating Provider, you are responsible for:

- the Copayment or Coinsurance (once any Calendar Year Deductible has been met), and
- any charges above the Allowable Amount, or
- any charges above the stated dollar amount, which is the Benefit maximum.

"Allowable Amount" is defined in the EOC. In addition:

- Coinsurance is calculated from the Allowable Amount or Benefit maximum, whichever is less.

- Charges above the Allowable Amount or Benefit maximum do not count towards the Out-of-Pocket Maximum, and are your responsibility for payment to the provider. This out-of-pocket expense can be significant.

5 Calendar Year Out-of-Pocket Maximum (OOPM):

Your payment after you reach the Calendar Year OOPM. You will continue to pay all charges above a Benefit maximum.

Essential health benefits count towards the OOPM.

Any Deductibles count towards the OOPM. Any amounts you pay that count towards the medical Calendar Year Deductible also count towards the Calendar Year Out-of-Pocket Maximum.

This Plan has a Participating Provider OOPM as well as a combined Participating Provider and Non-Participating Provider OOPM. This means that any amounts you pay towards your Participating Provider OOPM also count towards your combined Participating and Non-Participating Provider OOPM.

Family coverage has an individual OOPM within the Family OOPM. This means that the OOPM will be met for an individual with Family coverage who meets the individual OOPM prior to the Family meeting the Family OOPM within a Calendar Year.

6 Separate Member Payments When Multiple Covered Services are Received:

Each time you receive multiple Covered Services, you might have separate payments (Copayment or Coinsurance) for each service. When this happens, you may be responsible for multiple Copayments or Coinsurance. For example, you may owe an office visit Copayment in addition to an allergy serum Copayment when you visit the doctor for an allergy shot.

7 Preventive Health Services:

If you only receive Preventive Health Services during a Physician office visit, there is no Copayment or Coinsurance for the visit by a Participating Provider. If you receive both Preventive Health Services and other Covered Services during the Physician office visit, you may have a Copayment or Coinsurance for the visit.

Plans may be modified to ensure compliance with State and Federal requirements.

The Blue Shield PPO Health Plan

Introduction to the Blue Shield of California Health Plan

This Blue Shield of California (Blue Shield) Evidence of Coverage and Disclosure Form (EOC) describes the health care coverage that is provided under the Group Health Service Contract between Blue Shield and the Contractholder (Employer). A Summary of Benefits is provided with, and is incorporated as part of, this EOC.

Please read both this EOC and Summary of Benefits carefully. Together they explain which services are covered and which are excluded. They also contain information about Member responsibilities, such as payment of Copayments, Coinsurance and Deductibles and obtaining prior authorization for certain services (see the *Benefits Management Program* section).

Capitalized terms in this EOC have special meaning. Please see the *Definitions* section to understand these terms. Please contact Blue Shield with questions about Benefits. Contact information can be found on the last page of this EOC.

How to Use This Health Plan

PLEASE READ THE FOLLOWING INFORMATION SO YOU WILL KNOW FROM WHOM OR WHAT GROUP OF PROVIDERS HEALTH CARE MAY BE OBTAINED.

Choice of Providers

This Blue Shield Health Plan is designed for Members to obtain services from Blue Shield Participating Providers and MHSA Participating Providers. However, Members may choose to seek services from Non-Participating Providers for most services. Covered Services obtained from Non-Participating Providers will usually result in a higher share of cost for the Member. Some services are not covered unless rendered by a Participating Provider or MHSA Participating Provider.

Please be aware that a provider's status as a Participating Provider or an MHSA Participating Provider may change. It is the Member's obliga-

tion to verify whether the provider chosen is a Participating Provider or an MHSA Participating Provider prior to obtaining coverage.

Call Customer Service or visit www.blueshieldca.com to determine whether a provider is a Participating Provider. Call the MHSA to determine if a provider is an MHSA Participating Provider. See the sections below and the Summary of Benefits for more details. See the *Out-of-Area Services* section for services outside of California.

Blue Shield Participating Providers

Blue Shield Participating Providers include primary care Physicians, specialists, Hospitals, and Alternate Care Services Providers that have a contractual relationship with Blue Shield. Participating Providers are listed in the Participating Provider directory.

Participating Providers agree to accept Blue Shield's payment, plus the Member's payment of any applicable Deductibles, Copayments, Coinsurance or amounts in excess of specified Benefit maximums as payment-in-full for Covered Services, except as provided under the *Exception for Other Coverage* and the *Reductions – Third Party Liability* sections. This is not true of Non-Participating Providers.

If a Member receives services from a Non-Participating Provider, Blue Shield's payment for that service may be substantially less than the amount billed. The Subscriber is responsible for the difference between the amount Blue Shield pays and the amount billed by the Non-Participating Provider.

If a Member receives services at a facility that is a Participating Provider, Blue Shield's payment for Covered Services provided by a health professional at the Participating Provider facility will be paid at the Participating Provider level of Benefits, whether the health professional is a Participating Provider or Non-Participating Provider. The Member's share of cost will not exceed the Copayment or Coinsurance due to a participating Provider under similar circumstances.

Some services are covered only if rendered by a Participating Provider. In these instances, using a Non-Participating Provider could result in a higher

share of cost to the Member or no payment by Blue Shield for the services received.

Payment for Emergency Services rendered by a Physician or Hospital that is not a Participating Provider will be based on Blue Shield's Allowable Amount and will be paid at the Participating level of Benefits. The Member is responsible for notifying Blue Shield within 24 hours, or as soon as reasonably possible following medical stabilization of the emergency condition.

Please call Customer Service or visit www.blueshieldca.com to determine whether a provider is a Participating Provider.

MHSA Participating Providers

For Mental Health Services and Substance Use Disorder Services, Blue Shield has contracted with a Mental Health Service Administrator (MHSA). The MHSA is a specialized health care service plan licensed by the California Department of Managed Health Care, and will underwrite and deliver Blue Shield's Mental Health Services and Substance Use Disorder Services through a separate network of MHSA Participating Providers.

MHSA Participating Providers are those providers who participate in the MHSA network and have contracted with the MHSA to provide Mental Health and Substance Use Disorder Services to Blue Shield Members. A Blue Shield Participating Provider may not be an MHSA Participating Provider. It is the Member's responsibility to ensure that the provider selected for Mental Health and Substance Use Disorder Services is an MHSA Participating Provider. MHSA Participating Providers are identified in the Blue Shield Behavioral Health Provider Directory. Additionally, Members may contact the MHSA directly by calling 1-877-263-9952.

If a Member receives services at a facility that is an MHSA Participating Provider, MHSA's payment for Mental Health and Substance Use Disorder Services provided by a health professional at the MHSA Participating Provider facility will be paid at the MHSA Participating Provider level of Benefits, whether the health professional is an MHSA Participating Provider or MHSA Non-Participating Provider. The Member's share of cost

will not exceed the Copayment or Coinsurance due to an MHSA Participating Provider under similar circumstances.

Continuity of Care

Continuity of care with a Non-Participating Provider is available for the following Members: for Members who are currently seeing a provider who is no longer in the Blue Shield; or for newly-covered Members whose previous health plan was withdrawn from the market.

Members who meet the eligibility requirements listed above may request continuity of care if they are being treated for acute conditions, serious chronic conditions, pregnancies (including immediate postpartum care), or terminal illness. Continuity of care may also be requested for children who are up to 36 months old, or for Members who have received authorization from a now-terminated provider for surgery or another procedure as part of a documented course of treatment.

To request continuity of care, visit www.blueshieldca.com and fill out the Continuity of Care Application. Blue Shield will review the request. The Non-Participating Provider must agree to accept Blue Shield's Allowable Amount as payment in full for ongoing care. When authorized, the Member may continue to see the Non-Participating Provider for up to 12 months at the Participating Provider rate.

Second Medical Opinion Policy

Members who have questions about their diagnoses, or believe that additional information concerning their condition would be helpful in determining the most appropriate plan of treatment, may make an appointment with another Physician for a second medical opinion. The Member's attending Physician may also offer a referral to another Physician for a second opinion.

The second opinion visit is subject to the applicable Copayment, Coinsurance, Calendar Year Deductible and all Plan Contract Benefit limitations and exclusions.

State law requires that health plans disclose to Members, upon request, the timelines for responding to a request for a second medical opinion. To

request a copy of these timelines, you may call the Customer Service Department at the number provided on the back page of this EOC.

Services for Emergency Care

The Benefits of this Plan will be provided for Emergency Services received anywhere in the world for the emergency care of an illness or injury.

For Emergency Services from either a Participating Provider or a Non-Participating Provider, the Member is only responsible for the applicable Deductible, Copayment or Coinsurance as shown in the Summary of Benefits, and is not responsible for any Allowable Amount Blue Shield is obligated to pay.

Members who reasonably believe that they have an Emergency Medical Condition which requires an emergency response are encouraged to use the “911” emergency response system (where available) or seek immediate care from the nearest Hospital. For the lowest out-of-pocket expenses, covered non-Emergency Services or emergency room follow-up services (e.g., suture removal, wound check, etc.) should be received in a Participating Provider’s office.

- 5) preventive care.

Retail-Based Health Clinics

Retail-based health clinics are outpatient facilities, usually attached or adjacent to retail stores and pharmacies that provide limited, basic medical treatment for minor health issues. They are staffed by nurse practitioners, under the direction of a physician, and offer services on a walk-in basis. Covered Services received from retail-based health clinics will be paid on the same basis and at the same Benefit levels as other Covered Services shown in the Summary of Benefits. Retail-based health clinics may be found in the Participating Provider directory or the online provider directory located at www.blueshieldca.com. See the *Blue Shield Participating Providers* section for information on the advantages of choosing a Participating Provider.

Cost-Sharing

The Summary of Benefits provides the Member's Copayment, Coinsurance, Calendar Year Deductible and Calendar Year Out-of-Pocket Maximum amounts.

Calendar Year Medical Deductible

The Calendar Year Medical Deductible is the amount an individual or a Family must pay for Covered Services each year before Blue Shield begins payment in accordance with this EOC. The Calendar Year Medical Deductible does not apply to all plans. When applied, this Deductible accrues to the Calendar Year Out-of-Pocket Maximum. Information specific to the Member's Plan is provided in the Summary of Benefits.

The Summary of Benefits indicates whether or not the Calendar Year Medical Deductible applies to a particular Covered Service.

There are individual and Family Calendar Year Medical Deductible amounts. Deductible amounts for Covered Services accrue to both the Participating Provider and the Non-Participating Provider Medical Deductible. There is an individual Deductible within the Family Calendar Year Medical Deductible. This means:

- 1) Blue Shield will pay Benefits for that individual Member of a Family who meets the individual Calendar Year Medical Deductible amount prior to the Family Calendar Year Medical Deductible being met.
- 2) If the Family has 2 Members, each Member must meet the individual Deductible amount to satisfy the Family Calendar Year Medical Deductible.

If the Family has 3 or more Members, the Family Calendar Year Medical Deductible can be satisfied by 2 or more Members.

Once the respective Deductible is reached, Covered Services are paid at the Allowable Amount, less any applicable Copayment and Coinsurance, for the remainder of the Calendar Year.

For Covered Services received from Non-Participating Providers, excluding Covered Services pro-

vided at a Participating Provider facility by a health professional who is a Non-Participating Provider, the Member is responsible for the applicable Copayment or Coinsurance and for amounts billed in excess of Blue Shield's Allowable Amount. Charges in excess of Blue Shield's Allowable Amount do not accrue to the Calendar Year Medical Deductible.

Calendar Year Out of Pocket Maximum

The Calendar Year Out-of-Pocket Maximum is the highest Copayment and Coinsurance amount an individual or Family is required to pay for designated Covered Services each year. The Calendar Year Medical Deductible will not accumulate toward the applicable Calendar Year Out-of-Pocket Maximum. The Summary of Benefits indicates whether or not Copayment and Coinsurance amounts for a particular Covered Service accrue to the Calendar Year Out-of-Pocket Maximum.

There are individual and Family Calendar Year Out-of-Pocket Maximum amounts for both Participating Providers and Non-Participating Providers.

There are individual and Family Calendar Year Out-of-Pocket Maximum amounts for both Participating Providers and Non-Participating Providers.

There is also an individual Out-of-Pocket Maximum within the Family Calendar Year Out-of-Pocket Maximum. This means that any Family member who meets the individual Out-of-Pocket Maximum will receive 100% Benefits for Covered Services, before the Family Out-of-Pocket Maximum is met:

- 1) The Out-of-Pocket Maximum will be met for that individual Member of a Family who meets the individual Calendar Year Out-of-Pocket Maximum amount prior to the Family Calendar Year Out-of-Pocket Maximum being met.
- 2) If the Family has 2 Members, each Member must meet the individual Out-of-Pocket Maximum amount to satisfy the Family Calendar Year Out-of-Pocket Maximum.

- 3) If the Family has 3 or more Members, the Family Calendar Year Out-of-Pocket Maximum can be satisfied by 2 or more Members.

The Summary of Benefits provides the Calendar Year Out-of-Pocket Maximum amounts for Participating Providers and Non-Participating Providers at both the individual and Family levels. When the respective maximum is reached, Covered Services will be paid by Blue Shield at 100% of the Allowable Amount or contracted rate for the remainder of the Calendar Year.

Charges for services that are not covered, charges in excess of the Allowable Amount or contracted rate, do not accrue to the Calendar Year Out-of-Pocket Maximum and continue to be the Member's responsibility after the Calendar Year Out-of-Pocket Maximum is reached.

Submitting a Claim Form

Participating Providers submit claims for payment directly to Blue Shield, however there may be times when Members and Non-Participating Providers need to submit claims.

Except in the case of Emergency Services, Blue Shield will pay Members directly for services rendered by a Non-Participating Provider. Claims for payment must be submitted to Blue Shield within one year after the month services were provided. Blue Shield will notify the Member of its determination within 30 days after receipt of the claim.

To submit a claim for payment, send a copy of the itemized bill, along with a completed Blue Shield claim form to the Blue Shield address listed on the last page of this EOC.

Claim forms are available online at www.blueshieldca.com or Members may call Blue Shield Customer Service to obtain a form. At a minimum, each claim submission must contain the Subscriber's name, home address, Group Contract number, Subscriber number, a copy of the provider's billing showing the services rendered, dates of treatment and the patient's name.

Members should submit their claims for all Covered Services even if the Calendar Year Deductible has not been met. Blue Shield will keep track of the Deductible for the Member. Blue Shield also

provides an Explanation of Benefits to describe how the claim was processed and to inform the Member of any financial responsibility.

Out-of-Area Services

Overview

Blue Shield has a variety of relationships with other Blue Cross and/or Blue Shield Licensees. Generally, these relationships are called Inter-Plan Arrangements and they work based on rules and procedures issued by the Blue Cross Blue Shield Association. Whenever you receive Covered Services outside of California, the claims for those services may be processed through one of these Inter-Plan Arrangements described below.

When you access Covered Services outside of California, but within the United States, the Commonwealth of Puerto Rico, or the U. S. Virgin Islands (BlueCard® Service Area), you will receive the care from one of two kinds of providers. Participating providers contract with the local Blue Cross and/or Blue Shield Licensee in that other geographic area (Host Blue). Non-participating providers don't contract with the Host Blue. Blue Shield's payment practices for both kinds of providers are described below and in the *Choice of Providers* section of this EOC.

Inter-Plan Arrangements

Emergency Services

Members who experience an Emergency Medical Condition while traveling outside of California should seek immediate care from the nearest Hospital. The Benefits of this plan will be provided anywhere in the world for treatment of an Emergency Medical Condition.

BlueCard Program

Under the BlueCard® Program, benefits will be provided for Covered Services received outside of California, but within the BlueCard Service Area. When you receive Covered Services within the geographic area served by a Host Blue, Blue Shield will remain responsible for the provisions of this Evidence of Coverage. However, the Host Blue is

responsible for contracting with and generally handling all interactions with its participating health-care providers, including direct payment to the provider.

Whenever you receive Covered Services outside of California, within the BlueCard Service Area, and the claim is processed through the BlueCard Program, your Member share of cost for these services, if not a flat dollar copayment, is calculated based on the lower of:

- 1) The billed charges for Covered Services; or
- 2) The negotiated price that the Host Blue makes available to Blue Shield.

Often, this negotiated price will be a simple discount that reflects an actual price that the Host Blue pays to your healthcare provider. Sometimes, it is an estimated price that takes into account special arrangements with your healthcare provider or provider group that may include types of settlements, incentive payments, and/or other credits or charges. Occasionally, it may be an average price, based on a discount that results in expected average savings for similar types of healthcare providers after taking into account the same types of transactions as with an estimated price.

Estimated pricing and average pricing, going forward, also take into account adjustments to correct for over- or underestimation of modifications of past pricing of claims as noted above. However, such adjustments will not affect the price Blue Shield used for your claim because these adjustments will not be applied retroactively to claims already paid.

To find participating BlueCard providers you can call BlueCard Access® at 1-800-810-BLUE (2583) or go online at www.bcbs.com and select "Find a Doctor".

Prior authorization may be required for non-emergency services. Please see the *Benefits Management Program* section for additional information on prior authorization and emergency admission notification.

Non-participating Providers Outside of California

When Covered Services are provided outside of California and within the BlueCard Service Area by non-participating providers, the amount you pay for such services will normally be based on either the Host Blue's non-participating provider local payment, the Allowable Amount Blue Shield pays a Non-Participating Provider in California if the Host Blue has no non-participating provider allowance, or the pricing arrangements required by applicable state law. In these situations, you will be responsible for any difference between the amount that the non-participating provider bills and the payment Blue Shield will make for Covered Services as set forth in this paragraph.

If you do not see a participating provider through the BlueCard Program, you will have to pay the entire bill for your medical care and submit a claim to the local Blue Cross and/or Blue Shield plan, or to Blue Shield of California for reimbursement. Blue Shield will review your claim and notify you of its coverage determination within 30 days after receipt of the claim; you will be reimbursed as described in the preceding paragraph. Remember, your share of cost is higher when you see a non-participating provider.

Federal or state law, as applicable, will govern payments for out-of-network Emergency Services. Blue Shield pays claims for covered Emergency Services based on the Allowable Amount as defined in this EOC.

Blue Shield Global Core

Care for Covered Urgent and Emergency Services Outside the BlueCard Service Area

If you are outside of the BlueCard® Service Area, you may be able to take advantage of Blue Shield Global Core when accessing Out-of-Area Covered Health Care Services. Blue Shield Global Core is unlike the BlueCard Program available within the BlueCard Service Area in certain ways. For instance, although Blue Shield Global Core assists you with accessing a network of inpatient, outpatient, and professional providers, the network is not served by a Host Blue. As such, when you receive care from providers outside the BlueCard Service Area, you will typically have to pay the

provider and submit the claim yourself to obtain reimbursement for these services.

If you need assistance locating a doctor or hospital outside the BlueCard Service Area you should call the service center at 1-800-810-BLUE (2583) or call collect at 1-804-673-1177, 24 hours a day, seven days a week. Provider information is also available online at www.bcbs.com; select "Find a Doctor" and then "Blue Shield Global Core".

Prior authorization is not required for Emergency Services. In an emergency, go directly to the nearest hospital. Please see the *Benefits Management Program* section for additional information on emergency admission notification.

Submitting a Blue Shield Global Core Claim

When you pay directly for services outside the BlueCard Service Area, you must submit a claim to obtain reimbursement. You should complete a Blue Shield Global Core claim form and send the claim form along with the provider's itemized bill to the service center at the address provided on the form to initiate claims processing. Following the instructions on the claim form will help ensure timely processing of your claim. The claim form is available from Blue Shield Customer Service, the service center or online at www.bcbsglobal-core.com. If you need assistance with your claim submission, you should call the service center at 1-800-810-BLUE (2583) or call collect at 1-804-673-1177, 24 hours a day, seven days a week.

Special Cases: Value-Based Programs

Blue Shield Value-Based Programs

You may have access to Covered Services from providers that participate in a Blue Shield Value-Based Program. Blue Shield Value-Based Programs include, but are not limited to, Accountable Care Organizations, Episode Based Payments, Patient Centered Medical Homes, and Shared Savings arrangements.

If you receive covered services under a Blue Shield Value-Based Program, you will not be responsible for paying any of the Provider Incentives, risk-sharing, and/or Care Coordinator Fees that are a part of such an arrangement.

BlueCard® Program

If you receive Covered Services under a Value-Based Program inside a Host Blue's service area, you will not be responsible for paying any of the Provider Incentives, risk-sharing, and/or Care Coordinator Fees that are a part of such an arrangement, except when a Host Blue passes these fees to Blue Shield through average pricing or fee schedule adjustments.

Utilization Management

State law requires that Health Plans disclose to Members and Health Plan providers the process used to authorize or deny health care services under the Plan. Blue Shield has completed documentation of this process as required under Section 1363.5 of the California Health and Safety Code. The document describing Blue Shield's Utilization Management Program is available online at www.blueshieldca.com or Members may call the Customer Service Department at the number provided on the back page of this EOC to request a copy.

Benefits Management Program

The Benefits Management Program applies utilization management and case management principles to assist Members and providers in identifying the most appropriate and cost-effective way to use the Benefits provided under this Health Plan.

The Benefits Management Program includes prior authorization requirements for various medical benefits, including inpatient admissions, selected inpatient and out-patient services, and prescription Drugs office-administered in the office, injectable drugs, home-infusion center or provided by a home infusion agency, administered drugs, and PKU related formulas and Special Food Products as well as emergency admission notification, and inpatient utilization management. The program also includes Member services such as, discharge planning, case management and, palliative care services.

The following sections outline the requirements of the Benefits Management Program.

Prior Authorization

Prior authorization allows the Member and provider to verify with Blue Shield or Blue Shield's MHSA that (1) the proposed services are a Benefit of the Member's Plan, (2) the proposed services are Medically Necessary, and (3) the proposed setting is clinically appropriate. The prior authorization process also informs the Member and provider when Benefits are limited to services rendered by Participating Providers or MHSA Participating Providers (See the Summary of Benefits).

If prior authorization is not obtained by a Participating Provider when required, Blue Shield may deny payment to the Provider. The Member will only be responsible for any applicable Deductibles, Copayment and Coinsurance.

If prior authorization was not obtained by a Non-Participating Provider when required and services provided to the Member are determined not to be a Benefit of the Plan or were not Medically Necessary, coverage will be denied.

A decision will be made on all requests for prior authorization within five business days from receipt of the request. The treating provider will be notified of the decision within 24 hours and written notice will be sent to the Member and provider within two business days of the decision. For Urgent Services when the routine decision making process might seriously jeopardize the life or health of a Member or when the Member is experiencing severe pain, a decision will be rendered as soon as possible to accommodate the Member's condition, not to exceed 72 hours from receipt of the request.

Prior Authorization for Radiological and Nuclear Imaging Procedures

Prior authorization is required for radiological and nuclear imaging procedures. The Member or provider should call 1-888-642-2583 for prior authorization of the following radiological and nuclear imaging procedures when performed on an outpatient, non-emergency basis:

- 1) CT (Computerized Tomography) scan
- 2) MRI (Magnetic Resonance Imaging)

- 3) MRA (Magnetic Resonance Angiography)
- 4) PET (Positron Emission Tomography) scan
- 5) Diagnostic cardiac procedures utilizing nuclear medicine

For authorized services from a Non-Participating Provider, the Member will be responsible for applicable Deductible, Copayment and Coinsurance amounts and all charges in excess of the Allowable Amount.

Prior Authorization for Medical Services Included on the Prior Authorization List

The “Prior Authorization List” is a list of designated medical and surgical services and Drugs that require prior authorization. Members are encouraged to work with their providers to obtain prior authorization. Members and providers may call Customer Service at the number provided on the back page of this Evidence of Coverage and Disclosure Form to inquire about the need for prior authorization. Providers may also access the Prior Authorization List on the provider website.

Failure to obtain prior authorization for hemophilia home infusion products and services, home infusion/home injectable therapy, PKU related formulas and Special Food Products or routine patient care delivered in a clinical trial for treatment of cancer or life-threatening condition will result in a denial of coverage. To obtain prior authorization, the Member or provider should call Customer Service at the number listed on the back page of this EOC.

For authorized services and Drugs from a Non-Participating Provider, the Member will be responsible for applicable Deductible, Copayment and Coinsurance amounts and all charges in excess of the Allowable Amount.

For certain medical services and Drugs, Benefits are limited to services rendered by a Participating Provider. If prior authorization was not obtained and the medical services or Drugs provided to the Member were not provided by a Participating Provider when required, coverage will be denied.

Prior Authorization for Medical Hospital and Skilled Nursing Facility Admissions

Prior authorization is required for all non-emergency Hospital admissions including admissions for acute medical or surgical care, inpatient Rehabilitative Services, Skilled Nursing care, special transplant and bariatric surgery. The Member or provider should call Customer Service at least five business days prior to the admission. For Special Transplant and Bariatric Services for Residents of Designated Counties, failure to obtain prior authorization will result in a denial of coverage.

When inpatient Hospital admission is authorized to a Non-Participating Hospital, the Member will be responsible for applicable Deductible, Copayment and Coinsurance amounts and all charges in excess of the Allowable Amount.

Prior authorization is not required for an emergency Hospital admission; See the *Emergency Admission Notification* section for additional information.

Prior Authorization for Mental Health or Substance Use Disorder Hospital Admissions and Other Outpatient Services

Prior authorization is required for all non-emergency mental health or substance use disorder Hospital admissions including acute inpatient care and Residential Care. The provider should call Blue Shield’s Mental Health Service Administrator (MHSA) at 1-877-263-9952 at least five business days prior to the admission. Other Outpatient Mental Health and Substance Use Disorder Services, including, but not limited to, Behavioral Health Treatment, Partial Hospitalization Program (PHP), Intensive Outpatient Program (IOP), electroconvulsive therapy, Office-Based Opioid Treatment (OBOT), Psychological Testing, and Transcranial Magnetic Stimulation (TMS) must also be prior authorized by the MHSA.

For an authorized admission to a Non-Participating Hospital or authorized Other Outpatient Mental Health and Substance Use Disorder Services from a Non-Participating Provider, the Member will be responsible for applicable Deductible, Co-

payment and Coinsurance amounts and all charges in excess of the Allowable Amount.

Prior authorization is not required for an emergency mental health or substance use disorder Hospital admission; See the *Emergency Admission Notification* section for additional information.

Emergency Admission Notification

When a Member is admitted to the Hospital for Emergency Services, Blue Shield, or Blue Shield's MHSA should receive Emergency Admission Notification within 24 hours or as soon as it is reasonably possible following medical stabilization.

Inpatient Utilization Management

Most inpatient Hospital admissions are monitored for length of stay; exceptions are noted below. The length of an inpatient Hospital stay may be extended or reduced as warranted by the Member's condition. When a determination is made that the Member no longer requires an inpatient level of care, written notification is given to the attending Physician and to the Member. If discharge does not occur within 24 hours of notification, the Member is responsible for all inpatient charges accrued beyond the 24 hour time frame.

Maternity Admissions: the minimum length of the inpatient stay is 48 hours for a normal, vaginal delivery or 96 hours for a Cesarean section unless the attending Physician, in consultation with the mother, determines a shorter inpatient stay is adequate.

Mastectomy: The length of the inpatient stay is determined post-operatively by the attending Physician in consultation with the Member.

Discharge Planning

If further care at home or in another facility is appropriate following discharge from the Hospital, Blue Shield or Blue Shield's MHSA will work with the Member, the attending Physician and the Hospital discharge planners to determine the most appropriate and cost effective way to provide this care.

Case Management

The Benefits Management Program may also include case management, which is a service that provides the assistance of a health care professional to help the Member access necessary services and to make the most efficient use of Plan Benefits. The Member's nurse case manager may also arrange for alternative care benefits to avoid prolonged or repeated hospitalizations, when medically appropriate. Alternative care benefits are only utilized by mutual consent of the Member, the provider, and Blue Shield or Blue Shield's MHSA, and will not exceed the standard Benefits available under this Plan.

The approval of alternative benefits is specific to each Member for a specified period of time. Such approval should not be construed as a waiver of Blue Shield's right to thereafter administer this Health Plan in strict accordance with its express terms. Blue Shield is not obligated to provide the same or similar alternative care benefits to any other Member in any other instance.

Palliative Care Services

In conjunction with Covered Services, Blue Shield provides palliative care services for Members with serious illnesses. Palliative care services include access to physicians and nurse case managers who are trained to assist Members in managing symptoms, in maximizing comfort, safety, autonomy and well-being, and in navigating a course of care. Members can obtain assistance in making informed decisions about therapy, as well as documenting their quality of life choices. Members may call the Customer Service Department to request more information about these services.

Principal Benefits and Coverages (Covered Services)

Blue Shield provides the following Medically Necessary Benefits, subject to applicable Deductibles, Copayments, Coinsurance and charges in excess of Benefit maximums, Participating Provider provisions and Benefits Management Program provisions. Coverage for these services is subject to all terms, conditions, limitations and ex-

clusions of the Contract, including any conditions or limitations set forth in the Benefit descriptions below, and to the Principal Limitations, Exceptions, Exclusions and Reductions listed in this EOC. All Benefits must be Medically Necessary to be covered.

The Copayment and Coinsurance amounts for Covered Services, if applicable, are shown on the Summary of Benefits. The Summary of Benefits is provided with, and is incorporated as part of, this EOC.

Except as may be specifically indicated, for services received from Non-Participating Providers, Subscribers will be responsible for all charges above the Allowable Amount in addition to the indicated Copayment or Coinsurance amount.

Except as specifically provided herein, services are covered only when rendered by an individual or entity that is licensed or certified by the state to provide health care services and is operating within the scope of that license or certification.

Allergy Testing and Treatment Benefits

Services for Residents of Designated Counties

For Members who reside in a California county designated as having facilities contracting with Blue Shield to provide bariatric services (see the list of designated counties below), Blue Shield will provide Benefits for certain Medically Necessary bariatric surgery procedures only if:

- 1) performed at a Participating Hospital or Ambulatory Surgery Center, and by a Participating Provider, that have both contracted with Blue Shield as a Bariatric Surgery Services Provider to provide the procedure;
- 2) the services are consistent with Blue Shield's medical policy; and

Blue Shield reserves the right to review all requests for prior authorization for these bariatric Benefits and to make a decision regarding Benefits based on: (1) the medical circumstances of each patient; and (2) consistency between the treatment proposed and Blue Shield medical policy.

For Members who reside in a designated county, failure to obtain prior written authorization as described above and/or failure to have the procedure performed at a Participating Hospital or Ambulatory Surgery Center by a Bariatric Surgery Services Provider will result in denial of claims for this Benefit.

Services for follow-up bariatric surgery procedures, such as lap-band adjustments, must also be provided by a Physician participating as a Bariatric Surgery Services Provider.

The following are the designated counties in which Blue Shield has designated Bariatric Surgery Services Providers to provide bariatric services:

Medical Necessity Exclusion

The Benefits of this Health Plan are provided only for services that are Medically Necessary. Because a Physician or other provider may prescribe, order, recommend, or approve a service or supply does not, in itself, make it Medically Necessary even though it is not specifically listed as an exclusion

or limitation. Blue Shield reserves the right to review all claims to determine if a service or supply is Medically Necessary and may use the services of Physician consultants, peer review committees of professional societies or Hospitals, and other consultants to evaluate claims.

Limitation for Duplicate Coverage

Medicare Eligible Members

- 1) Blue Shield will provide Benefits before Medicare in the following situations:
 - a. When the Member is eligible for Medicare due to age, if the subscriber is actively working for a group that employs 20 or more employees (as defined by Medicare Secondary Payer laws).
 - b. When the Member is eligible for Medicare due to disability, if the subscriber is covered by a group that employs 100 or more employees (as defined by Medicare Secondary Payer laws).
 - c. When the Member is eligible for Medicare solely due to end stage renal disease during the first 30 months that you are eligible to receive benefits for end-stage renal disease from Medicare.
- 2) Blue Shield will provide Benefits after Medicare in the following situations:
 - a. When the Member is eligible for Medicare due to age, if the subscriber is actively working for a group that employs less than 20 employees (as defined by Medicare Secondary Payer laws).
 - b. When the Member is eligible for Medicare due to disability, if the subscriber is covered by a group that employs less than 100 employees (as defined by Medicare Secondary Payer laws).
 - c. When the Member is eligible for Medicare solely due to end stage renal disease after the first 30 months that you are eligible to receive benefits for end-stage renal disease from Medicare.

- d. When the Member is retired and age 65 years or older.

When Blue Shield provides Benefits after Medicare, the combined benefits from Medicare and the Blue Shield group plan may be lower but will not exceed the Medicare allowed amount. The Blue Shield group plan Deductible and copayments will be waived.

Medi-Cal Eligible Members

Medi-Cal always provides benefits last.

Qualified Veterans

If the Member is a qualified veteran Blue Shield will pay the reasonable value or Blue Shield's Allowable Amount for Covered Services provided at a Veterans Administration facility for a condition that is not related to military service. If the Member is a qualified veteran who is not on active duty, Blue Shield will pay the reasonable value or Blue Shield's Allowable Amount for Covered Services provided at a Department of Defense facility, even if provided for conditions related to military service.

Members Covered by Another Government Agency

If the Member is entitled to benefits under any other federal or state governmental agency, or by any municipality, county or other political subdivision, the combined benefits from that coverage and this Blue Shield group Plan will equal, but not exceed, what Blue Shield would have paid if the Member was not eligible to receive benefits under that coverage (based on the reasonable value or Blue Shield's Allowable Amount).

Contact Customer Service if you have any questions about how Blue Shield coordinates your group Plan Benefits in the above situations.

Exception for Other Coverage

Participating Providers may seek reimbursement from other third party payers for the balance of their reasonable charges for services rendered under this Plan.

Claims Review

Blue Shield reserves the right to review all claims to determine if any exclusions or other limitations apply. Blue Shield may use the services of Physician consultants, peer review committees of professional societies or Hospitals, and other consultants to evaluate claims.

Reductions – Third Party Liability

If another person or entity, through an act or omission, causes a Member to suffer an injury or illness, and if Blue Shield paid Benefits for that injury or illness, the Member must agree to the provisions listed below. In addition, if the Member is injured and no other person is responsible but the Member receives (or is entitled to) a recovery from another source, and if Blue Shield paid Benefits for that injury, the Member must agree to the following provisions.

- 1) All recoveries the Member or his or her representatives obtain (whether by lawsuit, settlement, insurance or otherwise), no matter how described or designated, must be used to reimburse Blue Shield in full for Benefits Blue Shield paid. Blue Shield's share of any recovery extends only to the amount of Benefits it has paid or will pay the Member or the Member's representatives. For purposes of this provision, Member's representatives include, if applicable, the Member's heirs, administrators, legal representatives, parents (if the Member is a minor), successors or assignees. This is Blue Shield's right of recovery.
- 2) Blue Shield is entitled under its right of recovery to be reimbursed for its Benefit payments even if the Member is not "made whole" for all of his or her damages in the recoveries that the Member receives. Blue Shield's right of recovery is not subject to reduction for attorney's fees and costs under the "common fund" or any other doctrine.
- 3) Blue Shield will not reduce its share of any recovery unless, in the exercise of Blue Shield's discretion, Blue Shield agrees in writing to a reduction (1) because the Member does not receive the full amount of damages that the

Member claimed or (2) because the Member had to pay attorneys' fees.

- 4) The Member must cooperate in doing what is reasonably necessary to assist Blue Shield with its right of recovery. The Member must not take any action that may prejudice Blue Shield's right of recovery.

If the Member does seek damages for his or her illness or injury, the Member must tell Blue Shield promptly that the Member has made a claim against another party for a condition that Blue Shield has paid or may pay Benefits for, the Member must seek recovery of Blue Shield's Benefit payments and liabilities, and the Member must tell us about any recoveries the Member obtains, whether in or out of court. Blue Shield may seek a first priority lien on the proceeds of the Member's claim in order to reimburse Blue Shield to the full amount of Benefits Blue Shield has paid or will pay. The amount Blue Shield seeks as restitution, reimbursement or other available remedy will be calculated in accordance with California Civil Code Section 3040.

Blue Shield may request that the Member sign a reimbursement agreement consistent with this provision.

Further, if the Member receives services from a Participating Hospital for such injuries or illness, the Hospital has the right to collect from the Member the difference between the amount paid by Blue Shield and the Hospital's reasonable and necessary charges for such services when payment or reimbursement is received by the Member for medical expenses. The Hospital's right to collect shall be in accordance with California Civil Code Section 3045.1.

IF THIS PLAN IS PART OF AN EMPLOYEE WELFARE BENEFIT PLAN SUBJECT TO THE EMPLOYEE RETIREMENT INCOME SECURITY ACT OF 1974 ("ERISA"), THE MEMBER IS ALSO REQUIRED TO DO THE FOLLOWING:

- 1) Ensure that any recovery is kept separate from and not comingled with any other funds or the Member's general assets and agree in writing that the portion of any recovery required to sat-

isfy the lien or other right of recovery of Blue Shield is held in trust for the sole benefit of Blue Shield until such time it is conveyed to Blue Shield;

- 2) Direct any legal counsel retained by the Member or any other person acting on behalf of the Member to hold that portion of the recovery to which Blue Shield is entitled in trust for the sole benefit of Blue Shield and to comply with and facilitate the reimbursement to Blue Shield of the monies owed.

Coordination of Benefits

Coordination of Benefits is utilized when a Member is covered by more than one group Health Plan. Payments for allowable expenses will be coordinated between the two plans up to the maximum benefit amount payable by each plan separately. Coordination of Benefits ensures that benefits paid by multiple group Health Plans do not exceed 100% of allowable expenses. The coordination of benefits rules also provide consistency in determining which group Health Plan is primary and avoid delays in benefit payments. Blue Shield follows the rules for Coordination of Benefits as outlined in the California Code of Regulations, Title 28, Section 1300.67.13 to determine the order of benefit payments between two group Health Plans. The following is a summary of those rules.

- 1) When a plan does not have a coordination of benefits provision, that plan will always provide its benefits first. Otherwise, the plan covering the Member as an employee will provide its benefits before the plan covering the Member as a Dependent.
- 2) Coverage for dependent children:
 - a. When the parents are not divorced or separated, the plan of the parent whose date of birth (month and day) occurs earlier in the year is primary.
 - b. When the parents are divorced and the specific terms of the court decree state that one of the parents is responsible for the health care expenses of the child, the plan of the responsible parent is primary.

- c. When the parents are divorced or separated, there is no court decree, and the parent with custody has not remarried, the plan of the custodial parent is primary.
- d. When the parents are divorced or separated, there is no court decree, and the parent with custody has remarried, the order of payment is as follows:
 - i. The plan of the custodial parent
 - ii. The plan of the stepparent
 - iii. The plan of the non-custodial parent.

- 3) If the above rules do not apply, the plan which has covered the Member for the longer period of time is the primary plan. There may be exceptions for laid-off or retired employees.
- 4) When Blue Shield is the primary plan, Benefits will be provided without considering the other group Health Plan. When Blue Shield is the secondary plan and there is a dispute as to which plan is primary, or the primary plan has not paid within a reasonable period of time, Blue Shield will provide Benefits as if it were the primary plan.
- 5) Anytime Blue Shield makes payments over the amount they should have paid as the primary or secondary plan, Blue Shield reserves the right to recover the excess payments from the other plan or any person to whom such payments were made.

These Coordination of Benefits rules do not apply to the programs included in the *Limitation for Duplicate Coverage* section.

Conditions of Coverage

Eligibility and Enrollment

To enroll and continue enrollment, a Subscriber must be an eligible Employee and meet all of the eligibility requirements for coverage established by the Employer. An Employee is eligible for coverage as a Subscriber the day following the date he or she completes the waiting period established by the Employer. The Employee's spouse or Domestic Partner and all Dependent children are eligible for coverage at the same time.

An Employee or the Employee's Dependents may enroll when initially eligible or during the Employer's annual Open Enrollment Period. Under certain circumstances, an Employee and Dependents may qualify for a Special Enrollment Period. Other than the initial opportunity to enroll, a date 12 months from the date that would have been considered the initial enrollment date, the Employer's annual Open Enrollment period, or a Special Enrollment Period, an Employee or Dependent may not enroll in the health program offered by the Employer. Please see the definition of Late Enrollee and Special Enrollment Period in the *Definitions* section for details on these rights. For additional information on enrollment periods, please contact the Employer or Blue Shield.

Dependent children of the Subscriber, spouse, or his or her Domestic Partner, including children adopted or placed for adoption, will be covered immediately after birth, adoption or the placement of adoption for a period of 31 days. In order to have coverage continue beyond the first 31 days*, you must inform your Employer who will notify Blue Shield within 90 days from the date of birth, adoption or placement for adoption. If both partners in a marriage or Domestic Partnership are eligible Employees and Subscribers, then they are both eligible for Dependent benefits. Their children may be eligible and may be enrolled as a Dependent of both parents. Please contact Blue Shield to determine what evidence needs to be provided to enroll a child.

*To continue coverage of a newborn or a child placed for adoption beyond the first 31 days without lapse in coverage, you must inform your Employer who will notify Blue Shield within 31 days from the date of birth or placement of a child for adoption.

Coverage is never automatic; you need to inform your Employer who will notify Blue Shield.

Enrolled disabled Dependent children who would normally lose their eligibility under this Health Plan solely because of age, may be eligible for coverage if they continue to meet the definition of Dependent. See the *Definitions* section.

The Employer must meet specified Employer eligibility, participation and contribution require-

ments to be eligible for this group Health Plan. If the Employer fails to meet these requirements, this coverage will terminate. See the *Termination of Benefits* section of this EOC for further information. Employees will receive notice of this termination and, at that time, will be provided with information about other potential sources of coverage, including access to individual coverage through Covered California.

If a Member fails or refuses to provide Blue Shield access to documents and other information necessary to determine eligibility or to administer Benefits under the plan, he or she will immediately lose eligibility to continue enrollment.

Subject to the requirements described under the Continuation of Group Coverage provision in this EOC, if applicable, an Employee and his or her Dependents will be eligible to continue group coverage under this Health Plan when coverage would otherwise terminate.

Effective Date of Coverage

Blue Shield will notify the eligible Employee/Subscriber of the effective date of coverage for the Employee and his or her Dependents. Coverage starts at 12:01 a.m. Pacific Time on the effective date.

Dependents may be enrolled within 90 days of the Employee's eligibility date to have the same effective date of coverage as the Employee. If the Employee or Dependent is considered a Late Enrollee, coverage will become effective the earlier of 12 months from the date that would have been considered your initial enrollment date or at the Employer's next Open Enrollment Period. Blue Shield will not consider earlier effective dates unless the Employee or Dependent qualifies for a Special Enrollment Period.

In general, if the Employee or Dependents qualify for a Special Enrollment Period coverage will begin no later than the first day of the first calendar month after Blue Shield receives the request for special enrollment from the Employer.

However, if the Employee qualifies for a Special Enrollment Period as a result of a birth, adoption, guardianship, marriage or Domestic Partnership

and enrollment is requested by the Employee within 90 days of the event, the effective date of enrollment will be as follows:

- 1) For the case of a birth, adoption, placement for adoption, or guardianship, the coverage shall be effective on the date of birth, adoption, placement for adoption or court order of guardianship.
- 2) For marriage or Domestic Partnership the coverage effective date shall be the first day of the month following the date the request for special enrollment is received.

Premiums (Dues)

The monthly Premiums for a Subscriber and any enrolled Dependents are stated in the Contract. Blue Shield will provide the Employer with information regarding when the Premiums are due and when payments must be made for coverage to remain in effect.

All Premiums required for coverage for the Subscriber and Dependents will be paid by the Employer to Blue Shield. Any amount the Subscriber must contribute is set by the Employer. The Employer will receive notice of changes in Premiums at least 60 days prior to the change. The Employer will notify the Subscriber immediately.

Grace Period

After payment of the first Premium, the Contractholder is entitled to a grace period of 120 days for the payment of any Premiums due. During this grace period, the Contract will remain in force. However, the Contractholder will be liable for payment of Premiums accruing during the period the Contract continues in force.

Plan Changes

The Benefits and terms of this Health Plan, including but not limited to, Covered Services, Deductible, Copayment, Coinsurance and annual Out-of-Pocket Maximum amounts, are subject to change at any time. Blue Shield will provide at least 60 days written notice of any such change.

Benefits for services or supplies furnished on or after the effective date of any change in Benefits will be provided based on the change.

Renewal of the Group Health Service Contract

This Contract has a 12-month term beginning with the eligible Employer's effective date of coverage. So long as the Employer continues to qualify for this Health Plan and continues to offer this plan to its Employees, Employees and Dependents will have an annual Open Enrollment period of 30 days before the end of the term to make changes to their coverage. The Employer will give notice of the annual Open Enrollment period.

Blue Shield will offer to renew the Employer's Group Health Service Contract except in the following instances:

- 1) non-payment of Premium;
- 2) fraud, or intentional misrepresentation of a material fact;
- 3) failure to comply with Blue Shield's applicable eligibility, participation or contribution rules;
- 4) termination of plan type by Blue Shield;
- 5) Employer relocates outside of California; or
- 6) Employer is an association and association membership ceases.

Termination of Benefits (Cancellation and Rescission of Coverage)

Except as specifically provided under the Extension of Benefits provision, and, if applicable, the Continuation of Group Coverage provision, there is no right to receive Benefits of this Health Plan following termination of a Member's coverage.

Cancellation at Member Request

If the Subscriber is making any contribution towards coverage for himself or herself, or for Dependents, the Subscriber may request termination of this coverage. If coverage is terminated at the Subscriber's request, coverage will end at 11:59 p.m. Pacific Time on the last date for which Premiums have been paid.

Cancellation of Member's Enrollment by Blue Shield

Blue Shield may cancel the Subscriber and any Dependent's coverage for cause for the following conduct; cancellation is effective immediately upon giving written notice to the Subscriber and Employer:

- 1) Providing false or misleading material information to the Employer or Blue Shield; see the Cancellation/Rescission for Fraud, or Intentional Misrepresentations of Material Fact provision;
- 2) Permitting use of a Member identification card by someone other than the Subscriber or Dependents to obtain Covered Services; or
- 3) Obtaining or attempting to obtain Covered Services under the Group Health Service Contract by means of false, materially misleading, or fraudulent information, acts or omissions.

If the Employer does not meet the applicable eligibility, participation and contribution requirements of the Contract, Blue Shield will cancel this coverage after 30 days' written notice to the Employer.

Any Premiums paid to Blue Shield for a period extending beyond the cancellation date will be refunded to the Employer. The Employer will be responsible to Blue Shield for unpaid Premiums prior to the date of cancellation.

Blue Shield will honor all claims for Covered Services provided prior to the effective date of cancellation.

See the Cancellation/Rescission for Fraud or Intentional Misrepresentations of Material Fact section.

Cancellation by the Employer

This Health Plan may be cancelled by the Employer at any time provided written notice is given to all Employees and Blue Shield to become effective upon receipt, or on a later date as may be specified by the notice.

Cancellation for Employer's Non-Payment of Premiums

Blue Shield may cancel this Health Plan for non-payment of Premiums. If the Employer fails to pay

the required Premiums when due, coverage will terminate upon expiration of the 120-day grace period following notice of termination for nonpayment of premium. The Employer will be liable for all Premium accrued while this coverage continues in force including those accrued during the grace period. Blue Shield will mail the Employer a Cancellation Notice (or Notice Confirming Termination of Coverage). The Employer must provide enrolled Employees with a copy of the Notice Confirming Termination of Coverage.

Cancellation/Rescission for Fraud or Intentional Misrepresentations of Material Fact

Blue Shield may cancel or rescind the Contract for fraud or intentional misrepresentation of material fact by the Employer, or with respect to coverage of Employees or Dependents, for fraud or intentional misrepresentation of material fact by the Employee, Dependent, or their representative. A rescission voids the Contract retroactively as if it was never effective; Blue Shield will provide written notice to the Employer prior to any rescission.

In the event the Contract is rescinded or cancelled, either by Blue Shield or the Employer, it is the Employer's responsibility to notify each enrolled Employee of the rescission or cancellation. Cancellations are effective on receipt or on such later date as specified in the cancellation notice.

If a Member is hospitalized or undergoing treatment for an ongoing condition and the Contract is cancelled for any reason, including non-payment of Premium, no Benefits will be provided unless the Member obtains an Extension of Benefits. (See the *Extension of Benefits* section for more information.)

Date Coverage Ends

Coverage for a Subscriber and all of his or her Dependents ends at 11:59 p.m. Pacific Time on the earliest of these dates:

- 1) the date the Employer Group Health Service Contract is discontinued;
- 2) the last day of the month in which the Subscriber's employment terminates, unless a dif-

ferent date has been agreed to between Blue Shield and the Employer;

- 3) the date as indicated in the Notice Confirming Termination of Coverage that is sent to the Employer (see Cancellation for Non-Payment of Premiums); or
- 4) the last day of the month in which the Subscriber and Dependents become ineligible for coverage, except as provided below.

Even if a Subscriber remains covered, his Dependents' coverage may end if a Dependent become ineligible. A Dependent spouse becomes ineligible following legal separation from the Subscriber, entry of a final decree of divorce, annulment or dissolution of marriage from the Subscriber; coverage ends on the last day of the month in which the Dependent spouse became ineligible. A Dependent Domestic Partner becomes ineligible upon termination of the domestic partnership; coverage ends on the last day of the month in which the Domestic Partner becomes ineligible. A Dependent child who reaches age 26 becomes ineligible on the last day of the month in which his or her 26th birthday occurs, unless the Dependent child is disabled and qualifies for continued coverage as described in the definition of Dependent.

In addition, if your Employer does not notify Blue Shield within 90 days following that Dependent's effective date of coverage for a newborn or a child placed for adoption, Benefits under this health plan for that child will end on the 31st day at 11:59 p.m. Pacific Time.

If the Subscriber ceases work because of retirement, disability, leave of absence, temporary lay-off, or termination, he or she should contact the Employer or Blue Shield for information on options for continued group coverage or individual options. If the Employer is subject to the California Family Rights Act of 1991 and/or the federal Family & Medical Leave Act of 1993, and the approved leave of absence is for family leave under the terms of such Act(s), a Subscriber's payment of Premiums will keep coverage in force for such period of time as specified in such Act(s). The Employer is solely responsible for notifying their Employee of the availability and duration of family leaves.

Reinstatement

If the Subscriber had been making contributions toward coverage for the Subscriber and Dependents and voluntarily cancelled such coverage, he or she should contact Blue Shield or the Employer regarding reinstatement options. If reinstatement is not an option, the Subscriber may have a right to re-enroll if the Subscriber or Dependents qualify for a Special Enrollment Period (see Special Enrollment Periods in the Definitions section). The Subscriber or Dependents may also enroll during the annual Open Enrollment Period. Enrollment resulting from a Special Enrollment Period or annual Open Enrollment Period is not reinstatement and may result in a gap in coverage.

Extension of Benefits

If a Member becomes Totally Disabled while validly covered under this health plan and continues to be Totally Disabled on the date the Contract terminates, Blue Shield will extend Benefits, subject to all limitations and restrictions, for Covered Services and supplies directly related to the condition, illness or injury causing such Total Disability until the first to occur of the following: (1) twelve months from the date coverage terminated; (2) the date the covered Member is no longer Totally Disabled; or (3) the date on which a replacement carrier provides coverage to the Member.

No extension will be granted unless Blue Shield receives written certification of such Total Disability from a Doctor of Medicine within 90 days of the date on which coverage was terminated, and thereafter at such reasonable intervals as determined by Blue Shield.

Group Continuation Coverage

Please examine group continuation coverage options carefully before declining this coverage.

A Member can continue his or her coverage under this group Health Plan when the Subscriber's Employer is subject to either Title X of the Consolidated Omnibus Budget Reconciliation Act (COBRA) as amended or the California Continuation Benefits Replacement Act (Cal-COBRA). The Subscriber's Employer should be contacted for more information.

In accordance with the Consolidated Omnibus Budget Reconciliation Act (COBRA) as amended and the California Continuation Benefits Replacement Act (Cal-COBRA), a Member may elect to continue group coverage under this Plan if the Member would otherwise lose coverage because of a Qualifying Event that occurs while the Contractholder is subject to the continuation of group coverage provisions of COBRA or Cal-COBRA. The benefits under the group continuation of coverage will be identical to the benefits that would be provided to the Member if the Qualifying Event had not occurred (including any changes in such coverage).

A Member will not be entitled to benefits under Cal-COBRA if at the time of the qualifying event such Member is entitled to benefits under Title XVIII of the Social Security Act ("Medicare") or is covered under another group health plan. Under COBRA, a Member is entitled to benefits if at the time of the qualifying event such Member is entitled to Medicare or has coverage under another group health plan. However, if Medicare entitlement or coverage under another group health plan arises after COBRA coverage begins, it will cease.

Qualifying Event

A Qualifying Event is defined as a loss of coverage as a result of any one of the following occurrences.

- 1) With respect to the Subscriber:
 - a. the termination of employment (other than by reason of gross misconduct); or
 - b. the reduction of hours of employment to less than the number of hours required for eligibility.
- 2) With respect to the Dependent spouse or Dependent Domestic Partner and Dependent children (children born to or placed for adoption with the Subscriber or Domestic Partner during a COBRA or Cal-COBRA continuation period may be immediately added as Dependents, provided the Contractholder is properly notified of the birth or placement for adoption, and such children are enrolled within 30 days of the birth or placement for adoption):

- a. the death of the Subscriber;
- b. the termination of the Subscriber's employment (other than by reason of such Subscriber's gross misconduct);
- c. the reduction of the Subscriber's hours of employment to less than the number of hours required for eligibility;
- d. the divorce or legal separation of the Subscriber from the Dependent spouse or termination of the domestic partnership;
- e. the Subscriber's entitlement to benefits under Title XVIII of the Social Security Act ("Medicare"); or
- f. a Dependent child's loss of Dependent status under this Plan.

Domestic Partners and Dependent children of Domestic Partners cannot elect COBRA on their own, and are only eligible for COBRA if the Subscriber elects to enroll. Domestic Partners and Dependent children of Domestic Partners may elect to enroll in Cal-COBRA on their own.

- 3) For COBRA only, with respect to a Subscriber who is covered as a retiree, that retiree's Dependent spouse and Dependent children, the Employer's filing for reorganization under Title XI, United States Code, commencing on or after July 1, 1986.
- 4) With respect to any of the above, such other Qualifying Event as may be added to Title X of COBRA or the California Continuation Benefits Replacement Act (Cal-COBRA).

Notification of a Qualifying Event

- 1) With respect to COBRA enrollees:

The Member is responsible for notifying the Employer of divorce, legal separation, or a child's loss of Dependent status under this Plan, within 60 days of the date of the later of the Qualifying Event or the date on which coverage would otherwise terminate under this Plan because of a Qualifying Event.

The Employer is responsible for notifying its COBRA administrator (or plan administrator if the Employer does not have a COBRA admin-

istrator) of the Subscriber's death, termination, or reduction of hours of employment, the Subscriber's Medicare entitlement or the Employer's filing for reorganization under Title XI, United States Code.

When the COBRA administrator is notified that a Qualifying Event has occurred, the COBRA administrator will, within 14 days, provide written notice to the Member by first class mail of the Member's right to continue group coverage under this Plan. The Member must then notify the COBRA administrator within 60 days of the later of (1) the date of the notice of the Member's right to continue group coverage or (2) the date coverage terminates due to the Qualifying Event.

If the Member does not notify the COBRA administrator within 60 days, the Member's coverage will terminate on the date the Member would have lost coverage because of the Qualifying Event.

2) With respect to Cal-COBRA enrollees:

The Member is responsible for notifying Blue Shield in writing of the Subscriber's death or Medicare entitlement, of divorce, legal separation, termination of a domestic partnership or a child's loss of Dependent status under this Plan. Such notice must be given within 60 days of the date of the later of the Qualifying Event or the date on which coverage would otherwise terminate under this Plan because of a Qualifying Event. Failure to provide such notice within 60 days will disqualify the Member from receiving continuation coverage under Cal-COBRA.

The Employer is responsible for notifying Blue Shield in writing of the Subscriber's termination or reduction of hours of employment within 30 days of the Qualifying Event.

When Blue Shield is notified that a Qualifying Event has occurred, Blue Shield will, within 14 days, provide written notice to the Member by first class mail of his or her right to continue group coverage under this Plan. The Member must then give Blue Shield notice in writing of the Member's election of continuation cover-

age within 60 days of the later of (1) the date of the notice of the Member's right to continue group coverage or (2) the date coverage terminates due to the Qualifying Event. The written election notice must be delivered to Blue Shield by first-class mail or other reliable means.

If the Member does not notify Blue Shield within 60 days, the Member's coverage will terminate on the date the Member would have lost coverage because of the Qualifying Event.

If this Plan replaces a previous group plan that was in effect with the Employer, and the Member had elected Cal-COBRA continuation coverage under the previous plan, the Member may choose to continue to be covered by this Plan for the balance of the period that the Member could have continued to be covered under the previous plan, provided that the Member notify Blue Shield within 30 days of receiving notice of the termination of the previous group plan.

Duration and Extension of Group Continuation Coverage

Cal-COBRA enrollees will be eligible to continue Cal-COBRA coverage under this Plan for up to a maximum of 36 months regardless of the type of Qualifying Event.

COBRA enrollees who reach the 18-month or 29-month maximum available under COBRA, may elect to continue coverage under Cal-COBRA for a maximum period of 36 months from the date the Member's continuation coverage began under COBRA. If elected, the Cal-COBRA coverage will begin after the COBRA coverage ends.

Note: COBRA enrollees must exhaust all the COBRA coverage to which they are entitled before they can become eligible to continue coverage under Cal-COBRA.

In no event will continuation of group coverage under COBRA, Cal-COBRA or a combination of COBRA and Cal-COBRA be extended for more than 3 years from the date the Qualifying Event has occurred which originally entitled the Member to continue group coverage under this Plan.

Note: Domestic Partners and Dependent children of Domestic Partners cannot elect COBRA on their own, and are only eligible for COBRA if the Subscriber elects to enroll. Domestic Partners and Dependent children of Domestic Partners may elect to enroll in Cal-COBRA on their own.

Notification Requirements

The Employer or its COBRA administrator is responsible for notifying COBRA enrollees of their right to possibly continue coverage under Cal-COBRA at least 90 calendar days before their COBRA coverage will end. The COBRA enrollee should contact Blue Shield for more information about continuation of coverage under Cal-COBRA. If the enrollee is eligible and chooses to continue coverage under Cal-COBRA, the enrollee must notify Blue Shield of their Cal-COBRA election at least 30 days before COBRA termination.

Payment of Premiums (Dues)

Premiums for the Member continuing coverage shall be 102 percent of the applicable group Premium rate if the Member is a COBRA enrollee, or 110 percent of the applicable group Premium rate if the Member is a Cal-COBRA enrollee, except for the Member who is eligible to continue group coverage to 29 months because of a Social Security disability determination, in which case, the Premiums for months 19 through 29 shall be 102 percent of the applicable group Premium rate.

Note: For COBRA enrollees who are eligible to extend group coverage under COBRA to 29 months because of a Social Security disability determination, Premiums for Cal-COBRA coverage shall be 110 percent of the applicable group Premium rate for months 30 through 36.

If the Member is enrolled in COBRA and is contributing to the cost of coverage, the Employer shall be responsible for collecting and submitting all Premium contributions to Blue Shield in the manner and for the period established under this Plan.

Cal-COBRA enrollees must submit Premiums directly to Blue Shield. The initial Premiums must be paid within 45 days of the date the Member provided written notification to the plan of the election to continue coverage and be sent to Blue

Shield by first-class mail or other reliable means. The Premium payment must equal an amount sufficient to pay any required amounts that are due. Failure to submit the correct amount within the 45-day period will disqualify the Member from continuation coverage.

Effective Date of the Continuation of Coverage

The continuation of coverage will begin on the date the Member's coverage under this Plan would otherwise terminate due to the occurrence of a Qualifying Event and it will continue for up to the applicable period, provided that coverage is timely elected and so long as Premiums are timely paid.

Termination of Group Continuation Coverage

The continuation of group coverage will cease if any one of the following events occurs prior to the expiration of the applicable period of continuation of group coverage:

- 1) discontinuance of this group health service contract (if the Employer continues to provide any group benefit plan for employees, the Member may be able to continue coverage with another plan);
- 2) failure to timely and fully pay the amount of required Premiums to the COBRA administrator or the Employer or to Blue Shield as applicable. Coverage will end as of the end of the period for which Premiums were paid;
- 3) the Member becomes covered under another group health plan;
- 4) the Member becomes entitled to Medicare;
- 5) the Member commits fraud or deception in the use of the services of this Plan.

Continuation of group coverage in accordance with COBRA or Cal-COBRA will not be terminated except as described in this provision. In no event will coverage extend beyond 36 months.

Continuation of Group Coverage for Members on Military Leave

Continuation of group coverage is available for Members on military leave if the Member's Employer is subject to the Uniformed Services Employment and Re-employment Rights Act (USERRA). Members who are planning to enter

the Armed Forces should contact their Employer for information about their rights under the (USERRA). Employers are responsible to ensure compliance with this act and other state and federal laws regarding leaves of absence including the California Family Rights Act, the Family and Medical Leave Act, Labor Code requirements for Medical Disability.

General Provisions

Liability of Subscribers in the Event of Non-Payment by Blue Shield

In accordance with Blue Shield's established policies, and by statute, every contract between Blue Shield and its Participating Providers stipulates that the Subscriber shall not be responsible to the Participating Provider for compensation for any services to the extent that they are provided in the Member's Group Contract. Participating Providers have agreed to accept the Blue Shield's payment as payment-in-full for Covered Services, except for Deductibles, Copayments and Coinsurance, and amounts in excess of specified Benefit maximums, or as provided under the *Exception for Other Coverage and Reductions-Third Party Liability* sections.

If services are provided by a Non-Participating Provider, the Member is responsible for all amounts Blue Shield does not pay.

When a Benefit specifies a Benefit maximum and that Benefit maximum has been reached, the Member is responsible for any charges above the Benefit maximums.

Right of Recovery

Whenever payment on a claim has been made in error, Blue Shield will have the right to recover such payment from the Subscriber or Member or, if applicable, the provider or another health benefit plan, in accordance with applicable laws and regulations. Blue Shield reserves the right to deduct or offset any amounts paid in error from any pending or future claim to the extent permitted by law. Circumstances that might result in payment of a claim in error include, but are not limited to, payment of benefits in excess of the bene-

fits provided by the health plan, payment of amounts that are the responsibility of the Subscriber or Member (deductibles, copayments, coinsurance or similar charges), payment of amounts that are the responsibility of another payor, payments made after termination of the Subscriber or Member's eligibility, or payments on fraudulent claims.

No Lifetime Benefit Maximum

There is no maximum limit on the aggregate payments made by Blue Shield for Covered Services provided under the Contract and this Health Plan.

No Annual Dollar Limits on Essential Health Benefits

This Health Plan contains no annual dollar limits on essential health benefits as defined by federal law.

Independent Contractors

Providers are neither agents nor employees of Blue Shield but are independent contractors. In no instance shall Blue Shield be liable for the negligence, wrongful acts, or omissions of any person receiving or providing services, including any Physician, Hospital, or other provider or their employees.

Non-Assignability

Coverage or any Benefits of this Plan may not be assigned without the written consent of Blue Shield. Possession of a Blue Shield ID card confers no right to Covered Services or other Benefits of this Plan. To be entitled to services, the Member must be a Subscriber or Dependent who has been accepted by the Employer and enrolled by Blue Shield and who has maintained enrollment under the terms of this Contract.

Participating Providers are paid directly by Blue Shield.

If the Member receives services from a Non-Participating Provider, payment will be made directly to the Subscriber, and the Subscriber is responsible for payment to the Non-Participating Provider. The Member or the provider of service may not re-

quest that the payment be made directly to the provider of service.

Plan Interpretation

Blue Shield shall have the power and authority to construe and interpret the provisions of this Plan, to determine the Benefits of this Plan and determine eligibility to receive Benefits under this Plan. Blue Shield shall exercise this authority for the benefit of all Members entitled to receive Benefits under this Plan.

Members can request an expedited decision when the routine decision making process might seriously jeopardize the life or health of a Member, or when the Member is experiencing severe pain. Blue Shield shall make a decision and notify the Member and Physician as soon as possible to accommodate the Member's condition not to exceed 72 hours following the receipt of the request. An expedited decision may involve admissions, continued stay, or other healthcare services. For additional information regarding the expedited decision process, or to request an expedited decision be made for a particular issue, please contact Customer Service.

PLEASE NOTE: If your Employer's health plan is governed by the Employee Retirement Income Security Act ("ERISA"), you may have the right to bring a civil action under Section 502(a) of ERISA if all required reviews of your claim have been completed and your claim has not been approved. Additionally, you and your plan may have other voluntary alternative dispute resolution options, such as mediation.

External Independent Medical Review

For grievances involving claims or services for which coverage was denied by Blue Shield or by a contracting provider in whole or in part on the grounds that the service is not Medically Necessary or is experimental/investigational (including the external review available under the Friedman-Kowles Experimental Treatment Act of 1996).

Members may choose to make a request to the Department of Managed Health Care to have the matter submitted to an independent agency for external review in accordance with California law. Members normally must first submit a grievance to Blue Shield and wait for at least 30 days before requesting external review; however, if the matter would qualify for an expedited decision as described above or involves a determination that the requested service is experimental/investigational, a Member may immediately request an external review following receipt of notice of denial. A Member may initiate this review by completing an application for external review, a copy of which can be obtained by contacting Customer Service.

The Department of Managed Health Care will review the application and, if the request qualifies for external review, will select an external review agency and have the Member's records submitted to a qualified specialist for an independent determination of whether the care is Medically Necessary. Members may choose to submit additional records to the external review agency for review. There is no cost to the Member for this external review. The Member and the Member's physician will receive copies of the opinions of the external review agency. The decision of the external review agency is binding on Blue Shield; if the external reviewer determines that the service is Medically Necessary, Blue Shield will promptly arrange for the service to be provided or the claim in dispute to be paid.

This external review process is in addition to any other procedures or remedies available and is completely voluntary; Members are not obligated to request external review. However, failure to participate in external review may cause the Member to give up any statutory right to pursue legal action against Blue Shield regarding the disputed service.

For more information regarding the external review process, or to request an application form, please contact Customer Service.

Department of Managed Health Care Review

The California Department of Managed Health Care is responsible for regulating health care service plans. If you have a grievance against your health plan, you should first telephone your health plan at **1-855-256-9404** and use your health plan's grievance process before contacting the Department. Utilizing this grievance procedure does not prohibit any potential legal rights or remedies that may be available to you. If you need help with a grievance involving an emergency, a grievance that has not been satisfactorily resolved by your health plan, or a grievance that has remained unresolved for more than 30 days, you may call the Department for assistance.

You may also be eligible for an Independent Medical Review (IMR). If you are eligible for IMR, the IMR process will provide an impartial review of medical decisions made by a health plan related to the Medical Necessity of a proposed service or treatment, coverage decisions for treatments that are experimental or investigational in nature, and payment disputes for emergency or urgent medical services.

The Department also has a toll-free telephone number (**1-888-466-2219**) and a TDD line (**1-877-688-9891**) for the hearing and speech impaired. The Department's internet website, (<http://www.dmhc.ca.gov>), has complaint forms, IMR application forms, and instructions online.

In the event that Blue Shield should cancel or refuse to renew the enrollment for you or your Dependents and you feel that such action was due to reasons of health or utilization of benefits, you or your Dependents may request a review by the Department of Managed Health Care Director.

- c. California law also limits the circumstances under which a group health plan may exclude coverage for medical conditions present before an individual enrolled.

The California law applies only to insurance and HMO contracts issued, amended, delivered or renewed in California.

3. Prudent Actions by Plan Fiduciaries

In addition to creating rights for plan participants, ERISA imposes duties upon the people who are responsible for the operation of the employee benefit plans. The people who operate your plans, called "fiduciaries" of the plan, have a duty to do so prudently and in the interest of you and other plan participants and beneficiaries. No one, including your employer, your union, or any other person, may fire you or otherwise discriminate against you in any way to prevent you from obtaining a welfare benefit or exercising your rights under ERISA.

4. Enforce Your Rights

- a. If your claim for a welfare benefit is denied in whole or in part, you have a right to know why this was done, to obtain copies of documents relating to this decision without charge, and to appeal any denial, all within certain time schedules.
- b. Under ERISA, there are steps you can take to enforce the above rights. For instance, if you request materials from the plan and do not receive them within 30 days, you may file suit in a federal court. In such a case, the court may require the Plan Administrator to provide the materials and pay you up to \$110 a day until you receive the materials, unless the materials were not sent because of reasons beyond the control of the Administrator.
- c. If you have a claim for benefits which is denied or ignored, in whole or in part, you may file suit in a state or federal court. In addition, if you disagree with the plan's decision or lack thereof concerning the qualified status of a domestic relations order or medical child support order, you may file suit in a federal court. If it should happen that plan fiduciaries misuse the plan's money or if you are discriminated against for asserting your rights, you may seek assistance from the U.S. Department of La-

bor, or you may file suit in a federal court. The court will decide who should pay court costs and legal fees. If you are successful the court may order the person you have sued to pay these costs and fees. If you lose, the court may order you to pay these costs and fees, for example, if it finds your claim is frivolous.

5. Assistance with Your Questions

If you have any questions about your plans, you should contact the Plan Administrator. If you have any questions about this statement or about your rights under ERISA, or if you need assistance in obtaining documents from the Plan Administrator, you should contact the nearest office of the Employee Benefits Security Administration, U.S. Department of Labor, listed in your telephone directory or the Division of Technical Assistance and Inquiries, Employee Benefits Security Administration, U.S. Department of Labor, 200 Constitution Avenue, N.W., Washington, D.C. 20210. You may also obtain certain publications about your rights and responsibilities under ERISA by calling the publications hotline of the Employee Benefits Security Administration.

Notes

1 Calendar Year Pharmacy Deductible (CYPD):

Calendar Year Pharmacy Deductible explained. A Calendar Year Pharmacy Deductible is the amount you pay each Calendar Year before Blue Shield pays for outpatient prescription Drugs under this Benefit.

If this Benefit has a Calendar Year Pharmacy Deductible, outpatient prescription Drugs subject to the Deductible are identified with a check mark (✓) in the Benefits chart above.

Outpatient prescription Drugs not subject to the Calendar Year Pharmacy Deductible. Some outpatient prescription Drugs received from Participating Pharmacies are paid by Blue Shield before you meet any Calendar Year Pharmacy Deductible. These outpatient prescription Drugs do not have a check mark (✓) next to them in the "CYPD applies" column in the Prescription Drug Benefits chart above.

2 Using Participating Pharmacies:

Participating Pharmacies have a contract to provide outpatient prescription Drugs to Members. When you obtain covered prescription Drugs from a Participating Pharmacy, you are only responsible for the Copayment or Coinsurance, once any Calendar Year Pharmacy Deductible has been met.

Participating Pharmacies and Drug Formulary. You can find a Participating Pharmacy and the Drug Formulary by visiting www.blueshieldca.com/wellness/drugs/formulary#heading2.

3 Using Non-Participating Pharmacies:

Non-Participating Pharmacies do not have a contract to provide outpatient prescription Drugs to Members. When you obtain prescription Drugs from a Non-Participating Pharmacy, you must pay all charges for the prescription, then submit a completed claim form for reimbursement. You will be reimbursed based on the price you paid for the Drug.

4 Outpatient Prescription Drug Coverage:

Medicare Part D-creditable coverage-

This prescription Drug coverage is on average equivalent to or better than the standard benefit set by the federal government for Medicare Part D (also called creditable coverage). Because this prescription Drug coverage is creditable, you do not have to enroll in Medicare Part D while you maintain this coverage; however, you should be aware that if you do not enroll in Medicare Part D within 63 days following termination of this coverage, you could be subject to Medicare Part D premium penalties.

5 Outpatient Prescription Drug Coverage:

Brand Drug coverage when a Generic Drug is available. If you select a Brand Drug when a Generic Drug equivalent is available, you are responsible for the difference between the cost to Blue Shield for the Brand Drug and its Generic Drug equivalent plus the Formulary Generic Copayment or Coinsurance. This difference in cost will not count towards any Calendar Year Pharmacy Deductible, medical Deductible, or the Calendar Year Out-of-Pocket Maximum. If your Physician or Health Care Provider prescribes a Brand Drug and indicates that a Generic Drug equivalent should not be substituted, you pay your applicable Copayment or Coinsurance. If your Physician or Health Care Provider does not indicate that a Generic Drug equivalent should not be substituted, you may request a Medical Necessity Review. If approved, the Brand Drug will be covered at the applicable Formulary or Non-Formulary Brand Drug Member payment.

Short-Cycle Specialty Drug program. This program allows initial prescriptions for select Specialty Drugs to be filled for a 15-day supply with your approval. When this occurs, the Copayment or Coinsurance will be pro-rated.

Benefit designs may be modified to ensure compliance with State and Federal requirements.

Outpatient Prescription Drug Benefit

Your plan provides coverage for Outpatient Prescription Drugs as described in this Supplement. This Prescription Drug Benefit is separate from the medical Plan coverage. The Medical Plan Deductible and the Coordination of Benefits provisions do not apply to this Outpatient Prescription Drug Supplement. However, the Calendar Year Out-of-Pocket Maximum, general provisions and exclusions of the Group Health Service Contract apply.

A Physician or Health Care Provider must prescribe all Drugs covered under this Benefit, including over-the-counter items. You must obtain all Drugs from a Participating Pharmacy, except as noted below.

Blue Shield's Drug Formulary is a list of Food and Drug Administration (FDA)-approved preferred Generic and Brand Drugs that assists Physicians and Health Care Providers to prescribe Medically Necessary and cost-effective Drugs.

Some Drugs, most Specialty Drugs, and prescriptions for Drugs exceeding specific quantity limits require prior authorization by Blue Shield for Medical Necessity, as described in the *Prior Authorization/Exception Request Process/Step Therapy* section. You, your Physician or Health Care Provider may request prior authorization from Blue Shield.

Outpatient Drug Formulary

Blue Shield's Drug Formulary is a list of Food and Drug Administration (FDA)-approved preferred Generic and Brand Drugs that assists Physicians and Health Care Providers to prescribe Medically Necessary and cost-effective Drugs.

Blue Shield's Formulary is established by Blue Shield's Pharmacy and Therapeutics Committee. This Committee consists of physicians and pharmacists responsible for evaluating Drugs for relative safety, effectiveness, health benefit based on the medical evidence, and comparative cost. They review new Drugs, dosage forms, usage and clinical data to update the Formulary during scheduled meetings four times a year. Note: Your Physician or Health Care Provider might prescribe a Drug even though the Drug is not included on the Formulary.

The Formulary is categorized into drug tiers as described in the chart below. Your Copayment or Coinsurance will vary based on the drug tier.

Drug Tier
Formulary Generic Drugs
Formulary Brand Drugs
Non-Formulary Brand Drugs
Specialty Drugs

You can find the Drug Formulary at <https://www.blueshieldca.com/bsca/pharmacy/home.sp>.

You can also contact Customer Service at the number provided on the back page of your EOC to ask if a specific Drug is included in the Formulary, or to request a printed copy.

Obtaining Outpatient Prescription Drugs at a Participating Pharmacy

You must present a Blue Shield Identification Card at a Participating Pharmacy to obtain Drugs under the Outpatient Prescription Drug benefit. You can obtain prescription Drugs at any retail Participating Pharmacy unless the Drug is a Specialty Drug. Refer to the section *Obtaining Specialty Drugs through the Specialty Drug Program* for additional information. You can locate a retail Participating Pharmacy by visiting <https://www.blueshieldca.com/bsca/pharmacy/home.sp> or by calling Customer Service at the number listed on the Identification Card.

Blue Shield negotiates contracted rates with Participating Pharmacies for covered Drugs. If your plan has a Pharmacy Deductible, you are responsible for paying the full contracted rate for Drugs until you meet the Member Calendar Year Pharmacy Deductible. Formulary Generic Drugs are not subject to, and will not accrue to the Calendar Year Pharmacy Deductible.

You must pay the applicable Copayment or Coinsurance for each prescription Drug when you obtain it from a Participating Pharmacy. When the Participating Pharmacy's contracted rate is less than your Copayment or Coinsurance, you only pay the contracted rate. This amount will apply to any applicable Deductible and Out-of-Pocket Maximum. There is no Copayment or Coinsurance for generic FDA-approved contraceptive Drugs and devices obtained from a Participating Pharmacy. Brand contraceptives are covered without a Copayment or Coinsurance when Medically Necessary. See the *Prior Authorization/Exception Request Process/Step Therapy* section.

If your Physician or Health Care Provider prescribes a Brand Drug and indicates that a Generic Drug equivalent should not be substituted, you pay your applicable Copayment or Coinsurance.

If you select a Brand Drug when a Generic Drug equivalent is available, you must pay the difference in cost, plus your Formulary Generic Drug Copayment or Coinsurance. This is calculated by taking the difference between the Participating Pharmacy's contracted rate for the Brand Drug and the Generic Drug equivalent, plus the Generic Drug Copayment or Coinsurance. For example, you select Brand Drug "A" when there is an equivalent Generic Drug "A" available. The Participating Pharmacy's contracted rate for Brand Drug "A" is \$300, and the contracted rate for Generic Drug "A" is \$100. You would be responsible for paying the \$200 difference in cost, plus your Formulary Generic Drug Copayment or Coinsurance. This difference in cost does not apply to the

Member Calendar Year Pharmacy Deductible or the Calendar Year Out-of-Pocket Maximum.

If your Physician or Health Care Provider does not indicate that a Generic Drug equivalent should not be substituted, you can request an exception to paying the difference in cost between the Brand Drug and Generic Drug equivalent through the Blue Shield prior authorization process. The request is reviewed for Medical Necessity. See the section on *Prior Authorization/Exception Request Process/Step Therapy* below for more information on the approval process. If the request is approved, you pay only the applicable Copayment or Coinsurance.

Blue Shield created a Patient Review and Coordination (PRC) program to help reduce harmful prescription drug misuse and the potential for abuse. Examples of harmful misuse include obtaining an excessive number of prescription medications or obtaining very high doses of prescription opioids from multiple providers or pharmacies within a 90-day period. If Blue Shield determines a Member is using prescription drugs in a potentially harmful, abusive manner, Blue Shield may, subject to certain exemptions and upon 90 days' advance notice, restrict a Member to obtaining all non-emergent outpatient prescriptions drugs at a single pharmacy home. This restriction applies for a 12-month period and may be renewed. The pharmacy home, a single Participating Pharmacy, will be assigned by Blue Shield or a Member may request to select a pharmacy home. Blue Shield may also require prior authorization for all opioid medications if sufficient medical justification for their use has not been provided. Members that disagree with their enrollment in the PRC program can file an appeal or submit a grievance to Blue Shield as described in the Grievance Process section. Members selected for participation in the PRC will receive a brochure with full program details, including participation exemptions. Any interested Member can request a PRC program brochure by calling Customer Service at the number listed on their Identification Card.

Obtaining Outpatient Prescription Drugs at a Non-Participating Pharmacy

When you obtain Drugs from a Non-Participating Pharmacy:

- You must first pay all charges for the prescription,
- Submit a completed Prescription Drug Claim form for reimbursement to:

Blue Shield of California
P.O. Box 419019,
Dept. 191
Kansas City, MO 64141

- You will be reimbursed as shown on the Summary of Benefits, based on the price you paid for the Drugs.

If you obtain Drugs from a Non-Participating Pharmacy for a covered emergency, Blue Shield will reimburse you based on the price you paid for the Drugs, minus any applicable Deductible, Copayment or Coinsurance.

You may obtain a claim form by calling Customer Service or by visiting www.blueshieldca.com. Claims must be received within one year from the date of service to be considered for payment. Claim submission is not a guarantee of payment.

Obtaining Outpatient Prescription Drugs through the Mail Service Prescription Drug Program

You have an option to use Blue Shield's Mail Service Prescription Drug Program when you take maintenance Drugs for an ongoing condition. This allows you to receive up to a 90-day supply of your Drug and may help you to save money. You may enroll online, by phone, or by mail. Please allow up to 14 days to receive the Drug. Your Physician or Health Care Provider must indicate a prescription quantity equal to the amount to be dispensed. Specialty Drugs are not available through the Mail Service Prescription Drug Program.

You must pay the applicable Mail Service Prescription Drug Copayment or Coinsurance for each prescription Drug.

Visit www.blueshieldca.com or call Customer Service to get additional information about the Mail Service Prescription Drug Program.

Obtaining Specialty Drugs through the Specialty Drug Program

Specialty Drugs are Drugs requiring coordination of care, close monitoring, or extensive patient training for self-administration that cannot be met by a retail pharmacy and are available at a Network Specialty Pharmacy. Specialty Drugs may also require special handling or manufacturing processes (such as biotechnology), restriction to certain Physicians or pharmacies, or reporting of certain clinical events to the FDA. Specialty Drugs are generally high cost.

Specialty Drugs are available exclusively from a Network Specialty Pharmacy. A Network Specialty Pharmacy provides Specialty Drugs by mail or upon your request, will transfer the Specialty Drug to an associated retail store for pickup. See *Obtaining Outpatient Prescription Drugs at a Non-Participating Pharmacy*.

A Network Specialty Pharmacy offers 24-hour clinical services, coordination of care with Physicians, and reporting of certain clinical events associated with select Drugs to the FDA. To select a Network Specialty Pharmacy, you may go to <http://www.blueshieldca.com> or call Customer Service.

Go to <http://www.blueshieldca.com> for a complete list of Specialty Drugs. Most Specialty Drugs require prior authorization for Medical Necessity by Blue Shield, as described

in the *Prior Authorization/Exception Request Process/Step Therapy* section.

Prior Authorization/Exception Request Process/Step Therapy

Some Drugs and Drug quantities require prior approval for Medical Necessity before they are eligible for coverage under the Outpatient Prescription Drug Benefit. This process is called prior authorization.

The following Drugs require prior authorization:

- Some Formulary, compound Drugs, and most Specialty Drugs require prior authorization.
- Drugs exceeding the maximum allowable quantity based on Medical Necessity and appropriateness of therapy.
- Brand contraceptives may require prior authorization to be covered without a Copayment or Coinsurance.

Blue Shield covers compounded medication(s) when:

- The compounded medication(s) include at least one Drug,
- There are no FDA-approved, commercially available, medically appropriate alternative,
- The compounded medication is self-administered, and
- Medical literature supports its use for the diagnosis.

You must pay the Non-Formulary Brand Drug Copayment or Coinsurance for covered compound Drugs.

You, your Physician or Health Care Provider may request prior authorization for the Drugs listed above by submitting supporting information to Blue Shield. Once Blue Shield receives all required supporting information, we will provide prior authorization approval or denial, based upon Medical Necessity, within 72 hours in routine circumstances or 24 hours in exigent circumstances. Exigent circumstances exist when a Member has a health condition that may seriously jeopardize the Member's life, health, or ability to regain maximum function or when a Member is undergoing a current course of treatment using a Non-Formulary Drug.

To request coverage for a Non-Formulary Drug, you, your representative, or Health Care Provider may submit an exception request to Blue Shield. Once all required supporting information is received, Blue Shield will approve or deny the exception request, based upon Medical Necessity, within 72 hours in routine circumstances or 24 hours in exigent circumstances.

Step therapy is the process of beginning therapy for a medical condition with Drugs considered first-line treatment or that are more cost-effective, then progressing to Drugs that are the next line in treatment or that may be less cost-effective. Step therapy requirements are based on how the FDA recommends that a drug should be used, nationally recog-

nized treatment guidelines, medical studies, information from the drug manufacturer, and the relative cost of treatment for a condition. If step therapy coverage requirements are not met for a prescription and your Physician believes the medication is Medically Necessary, the prior authorization process may be utilized and timeframes previously described will also apply.

If Blue Shield denies a request for prior authorization or an exception request, you, your representative, or Health Care Provider can file a grievance with Blue Shield.

See the Grievance Process portion of your EOC for information on filing a grievance, your right to seek assistance from the Department of Managed Health Care, and your rights to independent medical review.

Limitation on Quantity of Drugs that May Be Obtained Per Prescription or Refill

With your agreement, designated Specialty Drugs may be dispensed for a 15-day trial supply at a pro-rated Copayment or Coinsurance for an initial prescription. This program can help you save out of pocket expenses if you cannot tolerate the Specialty Drug. The Network Specialty Pharmacy will contact you to discuss the advantages of the program, which you can elect at that time. You or your Physician may choose a full 30-day supply for the first fill.

If you agree to a 15-day trial, the Network Specialty Pharmacy will contact you prior to dispensing the remaining 15-day supply to confirm that you are tolerating the Specialty Drug. Refill authorizations cannot be combined to reach a 90-day supply.
