However, such assignment shall not extend beyond the period of such emergency.

The interpretation, application, merits, or legality of any state or local law or ordinance, including all ordinances adopted by County's Board of Supervisors; unless the arbitrator, in his/her discretion, finds it necessary to interpret or apply such state or local law in order to resolve the grievance which has been submitted to the arbitrator.
  
  - B. The interpretation, application, merits, or legality of any or all of the County of Los Angeles Civil Service Rules, nor matters within the jurisdiction of the Civil Service Commission for which said Commission has established procedures or processes by which employees or employee organizations may appeal to, or request review by, said Civil Service Commission, including, but not limited to, discharges, reductions, and discrimination.

ARTICLE 17            GRIEVANCE - GENERAL IN CHARACTER

In order to provide an effective mechanism whereby disagreements between CAPE and Management concerning the interpretation or application of any of the provisions of this Memorandum of Understanding affecting the rights of the parties or the working conditions of a significantly large number of employees in the unit may be effectively resolved, the following procedures are agreed upon:

- A. Where either CAPE or Management has reason to believe that the other is not correctly interpreting or applying any of the provisions of this Memorandum of Understanding, such party may request in writing that a meeting be held with the authorized representatives of the other party who have authority to make effective recommendations for the resolution of the matter. Such written request shall set forth in detail the facts giving rise to the request for the meeting and shall set forth the proposed resolution sought. Within ten (10) business days of receipt of the request for such a meeting, the parties will meet for the purpose of discussing and attempting to resolve the disagreement.
  
- B. Within ten (10) business days of such meeting, and in the event the matter is not satisfactorily resolved; the initiating party shall have the right to meet with the principal representative(s) of the other party who have authority to resolve the matter. For purposes of this provision, Management's principal representative(s) shall mean its Director of Personnel or his authorized representative, and any other County department head or his authorized representative, who has authority to resolve the matter.

- C. Within thirty (30) business days after the meeting provided in B above, if the matter is not satisfactorily resolved, and if the disagreement meets the requirements of Section 8, of Article 17, the disagreement may be submitted to arbitration in accordance with the provisions of Section 8 of Article 17 of this Memorandum of Understanding.

It is further understood that this Article is not intended as a substitute or alternative for the grievance procedures set forth in Article 17 of this Memorandum of Understanding. Instead, this Article is intended to provide a procedure to resolve disagreements affecting the rights of the parties or disagreement arising from the application of the terms of this Memorandum of Understanding affecting the working conditions of a significantly large number of the employees in the unit, as distinguished from the rights of the individual employees.

Accordingly, the parties agree that the procedures set forth herein shall not be implemented where the dispute or complaint involved is or could be effectively brought by an employee or employees, and otherwise processed through the grievance procedures set forth in Article 17 hereof.

ARTICLE 18            EXPEDITED ARBITRATION

1. This is an alternate to the procedure set forth in Section 8, Arbitration, of Article 17, Grievance Procedure and will only be utilized upon mutual written agreement of the parties.
  
2. A joint submission statement setting forth the issue(s) to be determined will be prepared prior to the hearing by the parties. If the parties cannot agree to a submission statement, the expedited arbitration procedure will not be utilized.
  
3. Only those grievances which directly concern or involve the interpretation or application of the specific terms and provisions of this Memorandum of Understanding may be submitted to arbitration hereunder. In no event shall such arbitration extend to:
  - A. The interpretation, application, merits or legality of any state or local law or ordinance, including specifically all ordinances adopted by County's Board of Supervisors; unless the arbitrator, in his discretion, finds it necessary to interpret or apply such state or local law in order to resolve the grievance which has been submitted to the arbitrator.

- B. The interpretation, application, merits or legality of any or all of the County of Los Angeles Civil Service Rules, nor matters under the jurisdiction of the Civil Service Commission for which said Commission has established procedures or processes by which employees or employee organizations may appeal to, or request review by, said Civil Service Commission, including, but not limited to, discharges, reductions, and discrimination.
  
  - C. The interpretation, application, merits or legality of the rules or regulations of the department head, the Department of Personnel, or any other County department, agency, or commission, unless the arbitrator, in his discretion, finds it necessary to interpret or apply such rules or regulations in order to resolve the grievance which has been submitted to the arbitrator.
  
  - D. Grievance on competent or better performance evaluations which do not meet the guidelines set forth at the Employee Relations Commission meeting of December 19, 1986, will not be referred to arbitration.
4. The parties shall select an arbitrator from the panel of arbitrators previously agreed to by the parties and established for the purpose of conducting expedited arbitration proceedings:

- A. The arbitrator will be compensated at the contracted for flat daily rate. The cost of the arbitrator shall be borne equally by the parties. In addition, each party shall pay for all fees and expenses incurred by that party on its behalf, including but not limited to witness fees.
  - B. The parties agree that 1) no stenographic record of the hearing will be made, 2) there will be no representation by outside counsel, and 3) there will be no post hearing briefs.
- 5. The arbitrator selected shall hear the grievance(s) within 10 working days of his selection and may hear multiple cases during the course of the day. However, six (6) hours of hearings will constitute one day.
  - 6. Arbitration of a grievance hereunder shall be limited to the formal grievance as originally filed by the employee to the extent that said grievance has not been satisfactorily resolved.
  - 7. The arbitrator shall issue a "bench" decision at the conclusion of the parties' testimony. Only by mutual agreement of the parties and the arbitrator will a written decision be issued.

8. The decision of an arbitrator resulting from any arbitration of grievances hereunder shall not add to, subtract from, or otherwise modify the terms and conditions of this Memorandum of Understanding.

To the extent the decision and award of the arbitrator does not require legislative action by the Board of Supervisors, such decision and award shall be binding upon the County. If within sixty (60) days of receiving notice of a decision and award requiring legislative action by the Board of Supervisors, such legislative action is not taken, the arbitrator's decision and award shall have no force or effect whatsoever.
10. Election of this binding forum shall constitute a waiver by all parties to this process of all other administrative processes for the resolution of this dispute in whole or in part and the award shall not be appealed. The decision from this arbitration shall not be precedent setting.

11. The decision of an arbitrator resulting from the arbitration of a grievance under the following Articles shall be entirely advisory in nature and shall not be binding upon any of the parties:

If the majority of employees in the Bargaining Unit, who vote, do not vote in favor of agency shop, the MOU provisions of maintenance of membership set forth in Section 2 shall apply for the term of this MOU.

#### Section 4.

If a majority of those employees voting, vote in favor of an agency ship, then the following provisions shall apply:

Said employee shall have thirty (30) working days following the initial date of employment to fully execute the authorization form of his/her choice and return said form to both the Union and departmental payroll office. If the form is completed and returned within thirty (3) working days, the County Auditor shall commence and continue a payroll deduction of an Agency Shop Fee, from the regular pay warrants of such employee.

Section 2.            Department of Human Resources

The Department of Human Resources shall coordinate with Departmental management to implement Board Policy on workforce reductions on a County-wide basis and enhance the County's ongoing efforts to find alternative placement for employees subject to layoff or demotion due to workforce reductions. Management shall factor in attrition, implement transfers of qualified employees to available vacancies, recommend to the Board and/or CEO to reduce or discontinue departmental personnel services contracts and allow voluntary demotions before laying off any members of a bargaining unit.

Section 3.            Notice Provisions for Layoffs and Demotions

To the greatest extent feasible the Department of Human Resources and/or Department Management will give ten (10) business days notice prior to any layoff, demotion, or involuntary transfer of a permanent County employee.

ARTICLE 25      PERSONNEL FILES

An employee, or his certified representative with the written consent of the employee, may inspect that employee's personnel file with the exception of all material obtained from other employers and agencies at the time that employee was hired.

An employee shall be advised of, and entitled to read, any written statement by the employee's supervisor or departmental management regarding his work performance or conduct if such statement is to be placed in his personnel file. The employee shall acknowledge that he has read such material by affixing his signature on the copy to be filed, with the understanding that such signature merely signifies that he has read the material to be filed but does not necessarily indicate agreement with its content. If the employee refuses to sign, the supervisor shall note his refusal on the copy to be filed along with the supervisor's signature and the signature of a witness to the employee's refusal to sign.

The employee may file a grievance regarding any such document within the prescribed time limits of the grievance procedure. If the employee fails to file a grievance within the designated time limits, the document becomes part of the official file. If the employee does file a grievance within the designated time limits, said document would not be placed in the official file until the grievance procedure or civil service appeal rights have been exhausted. Grievances filed under this provision shall not be subject to the Arbitration provisions of the Grievance Procedure unless they involve violation of a specific provision of this agreement.

Management agrees that no properly used full paid sick leave used in the twelve months immediately prior to an Appraisal of Promotability or a Performance Evaluation will be referenced on such forms.

On reviewing his personnel file, an employee may request and have any written warnings issued more than one year prior placed in an envelope and sealed in his personnel file except as such may be part of an official permanent record. On the face of the sealed envelope it shall read, "The contents herein shall be disclosed only upon written consent of the subject employee or by subpoena or other legal process from a public body of competent jurisdiction." The date the contents of the sealed envelope will be destroyed shall also appear on the face of envelope. That date shall be two (2) years from the date of issue of the documents in the sealed envelope.

On reviewing this personnel file, an employee may request and have any written warnings and/or reprimands issued more than two years prior removed from his personnel file except as such may be a part of an official permanent record.

ARTICLE 26      TRANSFERSSection 1.

Permanent full time employees in the Unit shall annually submit a preference request for work (pay) location assignment. Each employee shall submit up to three (3) choices for work (pay) location for the coming year. Requests shall be made only for assignments for which the employee is eligible by virtue of classification and experience. Preference requests filed herein shall be valid for a period of one (1) year from the designated last date of filing and must be renewed annually.

If a position becomes vacant, it will be at the sole discretion of the department head whether the position is to be filled by promotion or transfer. If the position is to be filled by transfer, any current requests for transfer which are on file shall be reviewed by management.

If an employee's current request for transfer is not approved, he/she may make a written request to meet with management within 45 days from effective date of transfer to discuss Management's reasons.

Section 2.

The affected employee shall be given at least ten (10) business days prior notice of any such change in work reassignment.

Section 3.

All employees in this unit will receive mileage reimbursement for miles driven from their home to their actual work location in excess of those miles required to reach the office nearest their home. This change shall be effective the first day of the first month following the date of implementation. The definition of work location in this Section is that the Hall of Administration is one work location and each Regional/Area Office that has a separate street address is one work location.

No employee in the Unit will be transferred for disciplinary reasons.

Section 4.            Temporary Transfers

Temporary transfers shall be made only for temporary emergency situations; for example, covering a position during the absence of an incumbent where his/her return to work is anticipated, to assume responsibility for increased workload for a limited period, or to participate in a special project which will last for a limited period of time.

Section 5.            Special Assignments

Nothing in this Article shall preclude assignment of an employee to an assignment for which the employee has no relevant work experience or proper classification in the event that both the employee and departmental management agree that such assignment is in the best interest of both the department and the employee.

ARTICLE 27      TRAINING

The Department of the Assessor agrees that it will provide a minimum of 24 hours of State Board of Equalization required annual training to appraisers who possess or hold an Advanced State Certification and a minimum of 24 hours of State Board approved training to all other appraisers. The training will be provided by the Department and will be conducted during the regular work day. The Department will continue to grant paid time off for employees in the unit to attend seminars and/or on-line training sponsored by the SBE and such associations as the International Association of Assessing Officers Chapter, and the Society of Auditor-Appraisers for the purpose of appraiser personnel gaining credit towards the training required to maintain their appraisal certificate.

The Department may grant paid time off for appraisal personnel to attend other State Board of Equalization approved training seminars to pick up the above referenced required training. Such approval will be at the sole discretion of management.

ARTICLE 29            EMPLOYEE RIGHTS/TRANSFER OF FUNCTIONS

In the event the County enters into any agreement with another public employer or private entity which involves the transfer of functions now being performed by employees in this representation unit or the law provides for the transfer of functions now being performed by employees in this unit to another public or private agency, the County will advise such public or private entity of the existence and terms of this Memorandum of Understanding and will immediately advise the Union of such agreement or law. In addition, the County will consult with the employer absorbing a County function to encourage utilization of affected employees by the new employer. When a request for proposal or other contract solicitation documents are approved and issued, the Employee Relations Division of the Chief Executive Office will arrange to meet with representatives of the Union to advise them of this action within five (5) business days.

When advance knowledge of the impact of pending changes in function, organization, or operations is available which will result in the abolishment of positions or when there is any major reassignment of functions from one department to another or to another agency, Management will make an intensive effort to either reassign or transfer affected employees to other positions for which they qualify, or train affected employees for new positions in order to retain their services. It is understood and agreed that Management shall have no obligation to negotiate the decision of any reorganization by the County during the life of this agreement. Management acknowledges an obligation to negotiate the impact on wages, hours and working conditions of the employees in this bargaining unit insofar as such subjects have not already been negotiated.

Section 2.            Intent

It is the intention of the parties that this Article be included only to inform employees of the established process and procedures to follow when requesting a classification study on their own behalf and to further inform them of the parties' understanding on the acknowledgment of such studies and follow-up reports.

Section 3.

If the employee's department cannot support the employee's request, it will be returned to the employee within 30 days with an explanation. If the employee still believes his/her request is justified, the employee has the right to resubmit the request to his/her department, which shall in turn schedule and conduct a classification study as defined by the Department of Human Resources.

Section 4.                    Acknowledgment and Follow-up Reports

Management agrees that all employee-initiated classification study requests shall be promptly acknowledged.
