

CAPE MEMBERS: IT'S TIME TO WALK THE LINE!

FEB. 6, NOON—1 PM

On Feb. 6, CAPE members working in all Assessor's Office locations will hold simultaneous Informational Pickets during lunchtime, **Noon-1 p.m.**

We'll be out in force to show we're united and that we want a fair contract now!

We're fighting for a contract that reflects the professional work CAPE members perform for the County every day, as well as an agreement that realistically provides increases that are in line with the Consumer Price Index (last reported as 3.2% in December by the Bureau of Labor Statistics).

CAPE Members will simultaneously participate in the pickets at the Hall of Administration (Temple Street side), North District, South District, East District, West District and Lancaster.

Bring your lunch and walk the line with CAPE!

SPECIAL EVENT FEB. 2: Want to make your own signs?

Come to the CAPE office on Saturday, Feb. 2 for a morning of sign-making and solidarity from 9 a.m. to 11:30 a.m. We'll have the supplies, doughnuts and coffee - just bring yourself!
