

HONORING A CHAMPION OF LABOR AND JUSTICE

CAPE General Counsel Blaine Meek retires after 40 years of service to L.A. County working families

For more than 30 years, Blaine Meek has served as General Counsel for the California Association of Professional Employees (CAPE), providing members with steadfast representation in the areas of collective bargaining of work contracts and fringe benefits, grievances, job-related legal counsel, health insurance, public relations, legislative advocacy, and more.

Since 2006, Blaine also served as Chair of the Coalition of County Unions (CCU), where he led remarkable advancements in County-wide matters such as health insurance, vacation pay, retirement, and many other matters that impact all County employees and their families.

Blaine is widely respected by and has fostered strong relationships with leaders within the County, Labor and Political world—and often leaned on those relationships to form coalitions to get things done. Many people have continually drawn from his wealth of knowledge over the past 40 years. L.A. County is a better place to work today because of the years of service and sacrifice by our CAPE General Counsel, Blaine Meek.

Thank you Blaine for the decades of service, commitment, and achievement
